

Peabody College  
Vanderbilt University

UNDERGRADUATE HANDBOOK  
2007/2008

Teaching and Learning

## **FOREWORD**

Welcome to Peabody! This is your guidebook designed to lead you to successful completion of your major in Early Childhood Education, Elementary Education, or Secondary Education offered through the Department of Teaching and Learning. Over the next four years, you will find this handbook to be a ready source of information on your major requirements, policies and procedures, and offices to contact with your questions as you make your journey toward the Bachelor of Science degree in May 2011.

You will be expected to keep this handbook for four years and carry it to each advising appointment with your academic adviser. Each semester, you should update your Program of Studies in the handbook noting the courses that you are taking to fulfill both Liberal Education Core and Major requirements. Keeping the program of studies updated and checking your on-line degree audit will let you and your adviser know what is remaining in your degree program. Always go to advising sessions prepared with the list of courses that you plan to undertake for the up-coming semester and a copy of your degree audit.

The Peabody academic policies and procedures may not be the same as other Vanderbilt undergraduate schools. You should be familiar with the Peabody policies contained in this handbook regarding class-standing, probation and dismissal, transfer of credit, pass/fail, registration for independent study courses, and others.

If you have questions concerning information in this handbook always consult your academic adviser first. If your adviser is unavailable to help you, contact your department's Director of Undergraduate Studies. Finally, if you still need assistance or are uncertain of where to find an answer, contact the Office of Student Affairs (343-6947) or the Office of Records and Registration (322-8400).

## PEABODY COLLEGE ACADEMIC CALENDAR 2007-2008

### Fall 2007

June 23, Sat	Fall Course Request Period ends at 4:00 P.M.
July 18, Wed	Fall confirmation schedules mailed to home addresses
July 23, Mon	Fall Registration Period begins for students who did not get all requested courses
Aug 22, Wed	Deadline for all students to pay fall charges
Aug 25, Sat	Orientation begins for all new undergraduate students; residence halls open at 8:00 A.M.
Aug 27, Mon	Mandatory Peabody First Year Orientation sessions; Peabody picnic; adviser appointments; students may make adviser authorized schedule changes on the OASIS registration program
Aug 28, Tue	Fall Registration ends on Oasis at 4:00 P.M.
Aug 29, Wed	First Day of fall classes; students may not make schedule changes
Aug 30, Thur	The Fall Change Period begins on OASIS at 8:00 A.M.; students may drop and add fall courses for one week; the Wait List feature on OASIS is activated for closed courses
Sept 4, Tue	The Wait List feature on OASIS ends at 4:00 P.M.
Sept 5, Wed	Fall Change Period ends at 4:00 P.M.; last day to add a fall course; last day to drop a fall course without a "W" grade; all students schedules must be finalized by 4:00 P.M.
Oct 8-12, Mon-Fri	Mid-term examination period
Oct 19, Fri	Mid-term deficiency grade reports are mailed to student campus boxes and parent home addresses
Oct 22-23, Mon-Tue	October Break – enjoy!
Oct 26, Fri	Last day to drop a fall course
Nov 5, Mon	Spring Registration – Course Request Period begins
Nov 16, Fri	Spring Course Request Period ends
Nov 17-25, Sat-Sun	Thanksgiving Holidays
Dec 13, Thur	Last day of fall classes; spring registration resumes on OASIS for bumped students at 8:00 A.M.
Dec 14-22, Fri-Sat	Fall semester reading days and final examinations
Dec 18, Tues	All students may make spring course changes on OASIS at 8:00 A.M.

## **SPRING 2008**

Jan 3, Thur	Deadline for students to pay spring tuition and fee charges
Jan 8, Tue	The Spring Registration Period ends at 4:00 P.M.
Jan 9, Wed	First day of spring classes; students may not make schedule changes on OASIS
Jan 10, Thur	The Spring Change Period begins on OASIS at 8:00 A.M.; students may drop and add spring courses for one week; the Wait List feature on OASIS is activated for closed courses
Jan 15, Tue	The Wait List feature on OASIS ends at 4:00 P.M.
Jan 16, Wed	Spring Change Period ends at 4:00 P.M.; last day to add a spring course; last day to drop a spring course without a "W" grade; all students schedules must be finalized by 4:00 P.M.
Feb 25-29 Mon-Fri	Mid-Term Examinations
Mar 1-9, Sat-Sun	Spring Holidays
Mar 7, Fri	Mid-term deficiency grade reports are mailed to student campus boxes and parent home addresses
Mar 14, Fri	Last day students may drop a spring course
Apr 1-25	Registration for summer courses on OASIS
Apr 7, Mon	Fall Course Request Period begins
Apr 11, Fri	Last day for students to submit completed summer school elsewhere approval forms to the Office of Records and Registration
Apr 22, Tue	Last day of spring classes
Apr 23 – May 1	Spring semester reading days and final examinations
May 2, Fri	All students must be registered for fall before 4:00 P.M. to avoid a \$30.00 late registration fee.
May 5, Mon	Supplemental registration for May session courses; May session courses begin
May 30, Fri	May session courses end
June 2, Mon	Registration for summer sessions
June 3, Tue	First-half courses begin
July 3, Thur	Examinations for first-half courses
July 7, Mon	Supplementary registration for second-half courses
July 8, Tue	Second-half courses begin
August 8, Fri	Summer terms ends

## **PEABODY ADMINISTRATIVE OFFICES**

### **Peabody Office of Records and Registration**

The Office of Records and Registration serves as the unit of the Peabody Dean's Office that is responsible for maintaining academic records of Peabody students. This office prepares the Peabody undergraduate handbooks and the schedule of courses for each semester. It is also responsible for the maintenance of the On-Line Access to Student Information Services (OASIS) registration program and the on-line Degree Audits for all Peabody undergraduate majors and minors.

This office processes all academic record entries and changes such as address, adviser, grade, major, minor, track, and transfer of credit. This office also reviews students' academic programs at time of degree completion. The Office of Records and Registration will send important notices by email to your Vanderbilt email address. Students are expected to check their Vanderbilt email account regularly.

### **Peabody Office of Student Affairs**

The Office of Student Affairs serves as the student development unit of The Peabody Dean's Office. This office oversees the Peabody portions of summer and fall orientation programs; helps coordinate the undergraduate advising process; and provides students with support and advocacy for a variety of academic and personal issues. This office also helps students to access a number of University Services which are available to students.

The Office of Student Affairs works closely with other offices on campus to ensure that students are able to make connections and contacts that will enrich and improve campus life. This office also sponsors the Peabody Student Association (PSA), which is the Peabody arm of the student government association, as well as Peabody Academic Leaders (PALs), who serve to improve and support Peabody programs. The office is responsible for coordinating many student event and activities. Students are welcome in the office at any time to discuss their Vanderbilt experience and to take advantage of services available.

### **Peabody Office of Teacher Licensure**

The Office of Teacher Licensure serves as the unit of the Peabody Dean's Office that monitors progress toward teacher licensure for Vanderbilt students, including admission to teacher education (Screening I), admission to student teaching (Screening II), student teaching, and final recommendations for licensure in Tennessee and other states. It also facilitates and tracks PRAXIS testing.

## **Peabody Departmental and Program Offices**

The five Peabody departments are Human and Organizational Development, Leadership, Policy and Organizations, Psychology and Human Development, Special Education, and Teaching and Learning. The departments are the college units that administer the seven undergraduate majors.

Each department has a Director of Undergraduate Studies who is responsible for updating programmatic requirements, assigning academic advisers, meeting with students when advisers are not available, monitoring the progress of students in their program and sitting on the Peabody Undergraduate Administrative Committee.

**The Undergraduate Administrative Committee (UAC) is a faculty committee that reviews academic actions, academic honors, petitions for policy exceptions, and requests for readmission.**

Transfer Intra-University	University Registrar	322-7701

## **THE REGISTRATION PROCESS AND INFORMATION**

### **Course Request Period**

Students should always register on the OASIS registration program during the published Course Request Period on the academic calendar for each upcoming semester. All undergraduate students must meet with their academic adviser for approval of their courses and to receive their registration adviser approval code.

The Course Request Period for spring 2008 begins Monday, November 5, and ends Friday, November 16, 2007. The Course Request Period for summer is April 1 - 25, 2008 and for the fall is April 7 - May 2, 2008. During the Course Request Period, maximum enrollment limits for individual courses are not enforced. Students are requesting the courses that they wish to take during this period but there is no guarantee that they will get every course nor every day and time slot selected for their courses.

### **Course Bumping and Balancing Period**

At the conclusion of the Course Request Period, the OASIS registration program is turned off to students. Each school and their departments review enrollments in all of their courses and make decisions as to whether to cancel under enrolled courses, create new sections for over enrolled courses, balance enrollments in a course by shifting students from over enrolled sections to under enrolled sections of the same course, or to "bump" students from over enrolled courses when there are no other options.

### **Course Registration Period**

Students who have been "bumped" from courses have the initial days of the Registration Period to replace the course(s) from which they have been dropped. Students who failed to register during the Course Request Period and all other students wishing to make schedule changes will join the bumped students a few days after the beginning of this period.

Registration Period dates are published on the academic calendar. The Registration Period ends during the fall and spring semesters at 4:00 p.m. on the day before classes begin. During the Registration Period maximum enrollment limits on all courses are enforced. Hence, many courses will be closed because they are full.

Courses open and close during this period as students are changing their schedules, deciding not to return, or taking a leave of absence for a semester. Students seeking entrance into a closed course should check the desired course periodically for an open seat during the Registration Period. Wait lists are not open until the Change Period begins. It will not be productive to contact professors or departments during the Registration Period to get into a closed course.

### **Student Registration Cancellation Meeting**

The evening before classes begin, the undergraduate Registrar's meet with representatives from housing, athletics, financial aid, and student accounts to review students who have out-standing student account balances. Decisions are then made to cancel student's schedules that have not cleared their portion of the semester's billing statement. Canceled students are notified at their Vanderbilt email address.

### **The First Day of Classes**

The OASIS registration program is shut off the first day of classes. Students will be able to view their course schedules but will not be able to make changes until the second day of classes. Students who were cancelled the night before will have an opportunity to be reinstated in their classes upon presenting a financial clearance slip from the Office of Student Accounts to the Peabody Office of Records and Registration in 216 Peabody Administration Building.

### **Course Change Period**

The Course Change Period begins the second day of classes at 8:00 a.m. It is during the Change Period that Wait lists for closed courses become available and eligible students may declare a course pass/fail. Wait Lists end the day before the change period formally ends. All students should be registered on OASIS for all classes for a given semester by 4:00 p.m. on the last day of the change period.

After the last day of the Change Period, students may not add a course or declare a course pass/fail. Students who drop a course will receive a grade of "W" (withdrawal) and the course remains on the student's academic record. A "W" grade has no impact on the student's cumulative grade point average.

### **Course Maintenance Period**

Students may view their schedules on OASIS but may no longer drop or add courses. The only command that students may use to revise their schedule is the CONVERT command which allows students to change a pass/fail designated course to a graded status.

### **Dropping a Course after the Change Period**

Students may drop a course up through the eighth week of a semester. The specific last day to drop courses is published on the academic calendar. A grade of "W" will be assigned. Students who drop below twelve hours (full-time) must have permission of the Assistant Dean, Dr. Ellen Brier. There are implications for financial aid and academic standing when a student drops below full-time status.

### **Withdrawal from the University**

Students who may need to withdraw from all classes during a semester for medical or personal reasons should contact the Assistant Dean, Dr. Ellen Brier. The tuition refund schedule is published in the Undergraduate Catalog.

## HOW TO REGISTER FOR COURSES BY USING OASIS

### (On-line Access to Student Information Systems)

1. Get your e-password if you do not have one and go to [www.vanderbilt.edu/secure/oasis](http://www.vanderbilt.edu/secure/oasis) to download the software program that will allow you to access OASIS with your E-password in a secure environment. Call the ITS help desk at 343-1631 for assistance if needed.
2. When you get on OASIS you will be asked to enter your VunetID and then you will enter your E-password.
3. You will then reach a sub-menu. Choose the **Registration** mode number
4. Select the term for which you are registering
5. The first time you get into the registration program you will be notified of your anticipated date of graduation. Just bypass this text by pushing the enter key.
6. If you have not registered for anything and you are an undergraduate student, you may be prompted to enter your "**Adviser Approval Code**" - you must get this code from your adviser.
7. At this point you will see a **registration** screen. You may proceed with registering for your desired classes
8. Common commands you will use while registering:
  - ADD** - to add a course (example: ADD EDUC 1020 01 – then return)
  - DROP** - to drop a course (example: DROP EDUC 1020 01 - then Return)
  - CHANGE** - to switch sections of a course (CHANGE EDUC 1020 01 02)
  - PF-** to declare a course pass/fail (August 30 - Sept 5) (PF HUM 240 01)
  - CONVERT** – to change a course from a PF grade type to a regular grade. this command is available September 6 - October 26 (CONVERT HUM 240 01)
  - SHOW** - to display available sections of a particular course, showing various section meeting days and times (SHOW ENGL 102W)
  - SHOW OPEN** to display open courses in a discipline (SHOW OPEN ENGL)
  - SHOW WEEK** - shows grid of daily class meeting times
  - USE A SLASH (/) TO DISPLAY YOUR SCHEDULE** (You will need to use this command after using the SHOW command, in order to see your schedule again.)

#### **AFTER YOU REGISTER, YOU MUST EXIT THE PROGRAM - TYPE:**

- QUIT** – to exit your personal screen
- PRESS 3** – to exit the OASIS program
- CLOSE** the registration window

Students must be registered on OASIS for all fall 2007 courses no later than 4:00 p.m. September 5. Dates for future semester use on OASIS are always published in the Academic Calendar. The dates listed above are for Fall 2007.

## **USING THE OASIS “WAIT LIST” FEATURE (AVAILABLE August 30 - September 4)**

Students who are seeking entrance into closed courses must use the **OASIS** registration program and place themselves on the wait list for the closed course. The following steps outline the procedure for wait listing a course:

- **Sign on to the OASIS registration program.** Use computers in the lab if you do not have a personal computer.
- **Use the ADD command to try to add the course you wish to take.** If the course is closed, you will get a message to this effect.
- **Use the WAIT command to place yourself on a wait list.** **Example:**>WAIT HOD 1200 01  
You must always use the command “WAIT” followed by the course subject area, course number and section, then press the enter key.
- **Note the day and time the wait list entry will expire.** Students must check their status on a wait list within a twenty-four hour period or the student will no longer remain on the wait list.
- **Use the UPDATE command to check your wait list status.** **Example:**>UPDATE HOD 1200 01  
If you have not been conditionally enrolled, every time you use the update command you are given a new twenty-four hour period to remain on the wait list.
- **If you UPDATE and are given a message that you are conditionally enrolled, you will be asked if you wish to enroll in the course at this time**  
If you still wish to be in the course, answer the question affirmatively. Press enter and you will be enrolled.
- **To take yourself off a waitlist use the REMOVE command.** **Example:**>REMOVE HOD 1200 01  
You may need to use the REMOVE command if you are waitlisted in a section other than the one you are trying to add. Otherwise, the system will not let you add a different open section.

### **IMPORTANT NOTES:**

1. Do not just “camp out” in a course for which you are not registered without placing yourself on a wait list. Departments and faculty may periodically check the wait lists. If you have not followed the wait list procedure, your chances of getting into closed courses are greatly diminished.
2. Wait lists end September 4, at 4:00 p.m. The change period ends September 5, at 4:00 p.m. The last day of the change period is on a “first-come, first-served” basis. Many classes will open up on this last day but if you are not registered for your full load, you had better have an alternate plan. Students may not add classes after September 5. A grade of “W” will also be assigned for all courses dropped after September 5. No exceptions!
3. The staff in the Peabody Registrar's Office cannot register **you** for closed courses.
4. If an instructor states that they will put you in their closed course, check to make sure this is done on OASIS before the Change Period ends at 4:00 p.m. September 5. You may wish to e-mail the instructor as to the status of your enrollment in the class if you are not showing registered on OASIS by early in the day September 5. Do not wait until after 4:00 p.m. on the last day.

## GENERAL ACADEMIC INFORMATION

### **ACADEMIC ADVISING**

Academic advisers are faculty members within the five departments. Peabody students are assigned an academic adviser when they arrive for their first semester. This adviser is knowledgeable about the courses needed to complete his/her major. The adviser helps in schedule planning, makes suggestions as to which courses would be most suitable, and serves as a mentor to the student.

Students are required to meet with their academic adviser during pre-registration periods to assist in selecting a program of courses that fulfill degree requirements. Advisers are also available during the semester to discuss subjects of a non-academic nature. Students are encouraged to make appointments to meet with their advisers and to establish a good adviser/advisee relationship from the beginning of their undergraduate program.

### **ADVANCED PLACEMENT**

The well-established advanced placement policy endeavors to recognize exceptional high school preparation, to avoid requiring freshmen to take courses clearly mastered in high school, and to encourage students to begin their college learning experience at the level most appropriate to their preparation. Advanced placement may be decided on the basis of good performance on the College Board Advanced Placement Examination, on the College Board SAT II Subject Tests, on the International Baccalaureate tests, or, in some cases, placement tests given by Vanderbilt. Appropriate documentation should be submitted to the Office of Undergraduate Admissions before matriculation at Vanderbilt. For more detailed information see *The Bulletin of Vanderbilt University*.

### **CREDIT FOR PREVIOUS COLLEGE WORK**

Entering freshmen who have taken pre-freshmen college work during their junior or senior year in high school or during summers prior to their offer of admission to Vanderbilt must report such work to the Office of Undergraduate Admissions. The Peabody Office of Records and Registration will notify students as to whether such work may be credited toward the Vanderbilt degree.

Credit will be awarded only if the course is regularly offered by an accredited two-year or four-year college or university, if the teacher was a regular faculty member of that institution, and if a majority of the students in the course were candidates for a degree at that institution. Appropriate documentation, including course descriptions and syllabi must be submitted to the Peabody Office of Records and Registration for evaluation and approval by the appropriate Vanderbilt departments.

***This question of credit at Vanderbilt must be settled in advance of the student's first semester of classes.***

The College of Arts and Science and Peabody usually do not award credit for work at other colleges in the summer immediately preceding the student's first semester at Vanderbilt. Summer work elsewhere will be accepted for credit only if an unusual educational opportunity can be demonstrated and if the courses sought are as rigorous as courses offered at Vanderbilt. Approval for work to be taken elsewhere must be obtained in advance from the appropriate dean.

### **CLASS ATTENDANCE**

Students are expected to attend all scheduled meetings of classes in which they are enrolled; they have an obligation to contribute to the academic performance of all students by full participation in the work of each class. At the beginning of the semester, instructors explain the policy regarding absences in each class, and thereafter they report to the Dean of the College the name of any student whose achievement in a course is being adversely affected by excessive absences. In such cases, the Dean, in consultation with the instructor, takes appropriate action, which may include dropping the student from the class. Students dropped after the deadline for withdrawal receive the grade of *F*. Class attendance may be specified as a factor in determining the final grade in a course, and it cannot fail to influence the grade even when it is not considered explicitly.

### **CONSENT TO RELEASE ACADEMIC INFORMATION**

Vanderbilt University is subject to the provisions of the Family Educational Rights and Privacy Act (Buckley Amendment) that affords to students certain rights of access to educational records and imposes obligations on the University in the release and disclosure of those records to third parties. The Buckley Amendment regulations however, allow the University to provide academic progress reports and other academic information to parents of students if the student is a dependent of the parents for federal income tax purposes. In order to confirm the University's records and to administer the appropriate release of this information to parents, each new student completes a form to verify if the student is a dependent.

### **COURSE LOAD**

During the fall and spring semesters, a student must take at least 12 hours of course work to qualify as a full-time undergraduate student.

Students wishing to carry less than 12 hours, or more than 18 hours, must obtain approval from the Office of Student Affairs. Approval must also be obtained if the dropping or adding of a course during the semester causes an under-load or an overload. Undergraduate students are expected to be enrolled full-time unless:

- a) Fewer than 12 hours are required for the completion of the degree
- b) The student has received special permission from the Office of Student Affairs to matriculate as a part-time student

Additional tuition is charged for each hour over 18 in a given semester.

Students who plan to complete the 120 hour (minimum) required program in eight regular semesters must average 15 earned hours per semester.

### **DECLARATION OF MAJOR/MINOR**

Peabody students indicate a preference for a major at the time they apply to Vanderbilt and are assigned to the appropriate department for the purpose of advising and program planning. Students are assigned an adviser in their major prior to the first semester at Peabody.

Freshmen who wish to change their major may declare a change beginning in October of their first semester. Forms are available in the Peabody Office of Records and Registration for students who wish to change a Peabody major/minor, or declare a Peabody second major.

Students wishing to declare a second major/minor through the College of Arts and Science must go to the A&S department in which they are interested, fill out a Declaration of Major/Minor form, receive an A&S adviser assignment, and return the completed form to the Peabody Office of Records and Registration.

### **LIBERAL EDUCATION CORE**

In pursuit of breadth of knowledge and understanding about the world in which they live, all Peabody undergraduates complete the requirements of the Liberal Education Core program. This Liberal Education Core component is intended to provide students with a solid foundation in the arts and sciences. Courses identified to fulfill the Liberal Education Core requirement for each Peabody undergraduate major are listed in the current program descriptions in this Handbook and *The Bulletin of Vanderbilt University*.

Courses used to satisfy these core requirements may also be counted toward the fulfillment of requirements in an academic major. Special topic courses are ordinarily not acceptable for meeting Liberal Education requirements. These courses require prior approval as substitute courses. Independent study courses are not acceptable for meeting the requirements for the Liberal Education Core.

Students enrolled in Peabody College are expected to satisfy most Liberal Education Core requirements during the freshman and sophomore years. Although legitimate circumstances sometimes force the postponement of Liberal Education requirements, upper-level students are not expected to have a significant number of these requirements outstanding.

### **MAY SESSION**

In the interval of several weeks between final examinations in the spring semester and the beginning of summer sessions, Vanderbilt offers educational travel opportunities and a variety of “total immersion” courses that would be difficult to offer during a regular semester.

Students are permitted to take no more than one course during the May session. Housing and food services are provided during the session.

### **SUMMER COURSES AT VANDERBILT**

The ten-week summer session begins in early June and ends early in August. Peabody undergraduate courses offered during the Vanderbilt summer sessions are not intended to be comprehensive, nor are they predictable. Peabody students are most likely to take basic Liberal Education Core courses. For students who plan to attend summer sessions, the best strategy for predicting the courses that will be offered in a given summer is to look at the previous summer's offerings.

Students who do not advance in class standing at the end of the spring semester will be required to attend Vanderbilt summer school to make up the hours and/ or grade point average deficiencies.

## SELECTING AN APPROPRIATE MATH COURSE

### Brief Outline for Placement in Mathematics

<u>COURSE</u>	<u>DESCRIPTION &amp; BACKGROUND REQUIRED</u>
MATH 127AB	An introduction to probability and statistics. <b>BASIC MATH</b> (Psychology 2101 is required for statistics in H&OD and CD, CGS, and CST majors)
MATH 140	Requires high school algebra but does not use any trigonometry. (Strongly recommended) <b>BASIC MATH</b>
MATH 150AB	Requires trigonometry and Math SAT I score above 600, SAT II M1 score above 620 and/or SAT II M2 score above 570 recommended. <b>FURTHER STUDY IN MATH</b>
MATH 155AB	Requires trigonometry and Math SAT I score above 600, SAT II M1 score above 620 and/or SAT II M2 score above 570 recommended. This sequence is generally taken by engineering students, science majors, and students who wish to cover the material at a little faster pace. <b>BASIC MATH (155A) OR FURTHER STUDY IN MATH (155AB)</b>

**Note: Math courses overlap in content:**

- Students who initially successfully complete Math 140 cannot get credit for 150A
- Students who successfully complete Math 140 and then take 150B will only earn two hours of credit

See the chart below:

## Useful VU On-line Addresses

The following addresses may be helpful when you can't find the paper copies.

**Academic Calendar:** This is helpful when you need to know other calendar events not noted in this handbook.

<http://registrar.vanderbilt.edu/calendar.htm>

**Access 2 Academic Information:** Look up your Vanderbilt academic information (entrance test scores and transfer of credit) and grades on line.

# ACADEMIC POLICIES

## ACADEMIC PROBATION AND DISMISSAL

Peabody requires each student to maintain an academic record that will permit graduation according to a specified schedule. After achieving sophomore standing, the student may not be on academic probation for more than two semesters. The student whose academic record warrants a third semester of probation normally will be dismissed from the University.

### Freshmen:

1. The student's grade point average falls below 1.800. Probation is removed (assuming there is no other reason for probation) when the student's grade point average is raised to 1.800 or above.
2. The student fails to earn at least 12 hours in the first regular semester as a freshman. Probation is removed when the student receives sophomore standing.
3. The student fails to achieve sophomore standing (24 cumulative hours and 1.8 cumulative grade point average) in the required two semesters. Probation is removed when the student achieves sophomore standing.
4. Freshmen who pass fewer than two regular courses in their first regular semester, or who earn a grade point average lower than 1.000 have so seriously compromised their academic standing that they may be required to take a probationary leave of absence during the spring semester.

### Sophomores:

1. The student's grade point average falls below a 1.800. Probation is removed (assuming there is no other reason for the probation) when the student's grade point average is raised to 1.800 or above, except that at the end of the second regular semester the student must qualify for junior standing.
2. The student fails to earn at least 12 hours in the first semester of the sophomore year. Probation is removed when the student achieves junior standing.
3. The student is placed on probation by the Undergraduate Administrative Committee for failure to make satisfactory progress toward the degree. Probation is removed when the specified conditions are met.
4. The student fails to achieve junior standing (54 hours and 1.9 cumulative grade point average) in the required two semesters. Probation is removed when junior standing is achieved.

### Juniors:

1. The student's grade point average falls below a 1.900. Probation is removed (assuming there is no other reason for the probation) when the grade point average is raised to 1.900 or above, except that at the end of the second regular semester the student must qualify for senior standing.
2. The student fails to earn at least 12 hours in the first regular semester as a junior. Probation is removed when the student achieves senior standing.
3. The student is placed on probation by the Undergraduate Administrative Committee for the failure to make satisfactory progress toward degree. Probation is removed when the specified conditions are met.
4. The student fails to achieve senior standing (84 cumulative hours and 2.0 cumulative grade point average) in the required two semesters. Probation is removed when senior standing is achieved.

Senior:

The student's grade point average falls below a 2.00. Probation is removed when the grade point average is raised to 2.000 or above.

Sudden Academic Insufficiency

Any student who fails by wide margin to reach prescribed levels of academic achievement, either at the end of a semester or at mid-semester, or who has been placed on probation more than once is reviewed by the Peabody Undergraduate Administrative Committee. The Committee considers each case within the general guidelines for maintenance of satisfactory academic standing and may take any of several actions, among which are the following:

- The student may be placed on probation.
- The student may be advised to take a leave of absence or to withdraw from the University.
- The student may be required to take a leave of absence.

Under certain circumstances, a student who has been formally dismissed may be readmitted to Peabody. The Peabody Undergraduate Administrative Committee must review and approve any requests for readmission.

**ALTERNATE TRACK**

Occasionally, students find that it will be necessary to reduce their normal course load due to medical reasons, varsity athletics, or other circumstances. The result is that they will earn the bachelor of science degree in nine or ten semester instead of eight. In such cases, the student may request Alternate Track status (normally done during the sophomore year).

After discussing the Alternate Track option with his/her parents and faculty adviser, the student must complete and submit a "Request for Alternate Track" form to the Peabody Office of Records and Registration. Along with the "Request for Alternate Track" form, the student is required to include a plan listing courses to be taken each remaining semester to complete all requirements for the degree.

Alternate Track does not alter the earned hours required to achieve sophomore, junior or senior class standing. A student on Alternate Track status must meet the following guidelines to avoid probation. The minimum requirements set forth are:

<u>Year</u>	<u>Hours Per Semester</u>	<u>Total Earned Hours</u>	<u>GPA</u>
1 <sup>st</sup> year	12	24	1.80
2 <sup>nd</sup> year	12	48	1.90
3 <sup>rd</sup> year	12	72	1.95
4 <sup>th</sup> year	12	96	2.0
5 <sup>th</sup> year	Complete Degree		2.0

## **APPEALS**

1. Petitions for exceptions to academic policies, appeals of academic policy implementations by the Peabody Dean's Office staff, and appeals of academic actions by the Chairman of the Peabody Undergraduate Administrative Committee (e.g. letters of dismissal) may be directed to the full Undergraduate Administrative Committee.

Petitions and appeals should be sent to:  
Chair, Peabody Undergraduate Administrative Committee  
C/o Peabody Dean's Office  
Campus Box 329, Peabody College  
Nashville, TN 37203  
Fax: (615) 322-8501

2. A student may ask the UAC to reconsider a decision if the student has new information to offer. The Committee Chairperson will decide whether the full Committee will reconsider. Requests for reconsideration of UAC decisions should be sent to the above address.
3. A final negative decision of the Committee may be appealed to the Dean of Peabody, (at the above address) who may assign an Associate Dean to handle the matter on the Dean's behalf. The Dean or Associate Dean will consult with the Committee and other relevant faculty or staff as part of the review decision.
4. Appeals beyond Peabody College should be directed to the University Provost's Office.

Please see Chapter 6 (The Judicial System) of *The Vanderbilt University Student Handbook* for a description of the appeal process for non-academic matters.

## **CLASS ATTENDANCE**

Students who must miss a class due to illness, personal reasons, or other reasons should notify the course instructor (prior to the class meeting if possible). In case of serious illness or personal emergency causing an absence from campus, the student may request that the Peabody Office of Student Affairs notify instructors. The Office of Student Affairs does not "excuse" a student from class, it will simply notify instructors of the student's absence. The final decision of how to handle the absence is up to the course instructor.

## **INDEPENDENT STUDY REGULATIONS**

Intended for students in their junior and senior years, Independent Study courses, ranging from one to three hours of credit, are listed in the *Schedule of Courses*. Juniors or seniors wishing to take such courses must use the following procedure:

1. Students must be in academic "good standing" (may not be on probation or leave of absence).
2. **Students must arrange the independent study with a full-time Vanderbilt faculty member who has agreed to supervise and grade this experience.**
3. Students may enroll in up to three hours of independent study per semester.
4. Students must complete an Individual Learning/Directed Study contract that includes a written study plan detailing the nature of the project and the amount of credit to be earned. The Individual Learning/Directed Study contract must be approved by the instructor and the department chair (or the chair's designee).

5. The deadline for submitting the contract to the Peabody Office of Records and Registration is the last day of the registration change period.
6. Registration occurs when the completed Individual Learning/Directed Study contract is submitted to the Peabody Office of Records and Registration. Students are not able to register themselves for independent studies.

The following Peabody independent study options are listed in the Schedule of Courses booklet:

EDUC	2960	MTED	2960
ENED	2960	PSY	2970,2980
FLED	2960	SCED	2960
HOD	2980	SSED	2960
HMED	2960	SPED	2960

Students may not repeat independent study courses for grade replacement.

### **PASS/FAIL**

Students may elect to take courses in which they can receive the grade *P* (Pass). This grade is entered for the student enrolled under the P/F option who is awarded a grade of D- or higher. The grade *P* is neither counted in the grade point average nor used in the determination of honors. A failing grade will appear on the student record as *F* and will be counted in the student's grade point average. The following regulations apply to pass/fail:

1. Students must have completed two full semesters at Vanderbilt before being eligible to take a course pass/fail.
2. Students must be in good academic standing.
3. No more than one course per semester may be taken pass/fail.
4. Students must maintain registration for at least twelve graded hours in addition to the course they are taking or planning to take on a pass/fail basis or the pass/fail notation is removed.
5. Students may take no more than three courses pass/fail during their undergraduate career.
6. No more than one course from any liberal core area may be taken pass/fail.
7. For students with a single, double major/minor, or interdisciplinary plan, courses in the department(s) of the major(s)/minor(s)/interdisciplinary plan or other courses counted toward the major(s)/minor(s) may **not** be taken pass/fail.
8. Liberal Education Core Courses that are specified for the major **may not** be taken pass/fail (e.g. Econ 100 for HOD majors).
9. Pass/fail must be declared during the first week of classes on the OASIS registration program. **Requests to change a course to pass/fail after the last day to add a course will not be approved.**
10. Students enrolled in a course pass/fail may elect to change back to a graded status by the published deadline (approximately week eight of the semester).

Seniors who have met all other criteria, may declare a course pass/fail with fewer than twelve graded hours. This must take place senior year during the fall or spring in which they are not completing student teaching or the HOD Internship. This applies to only one semester of the student's senior year. Registration for pass/fail with fewer than twelve hours must be processed through the Peabody Office of Records and Registration.

**Seniors with fewer than twelve graded hours are not eligible for the Dean's List.**

## **STUDENT CLASSIFICATION**

In order to qualify for sophomore standing, a freshman must earn at least 24 hours with a grade point average of at least 1.8. A freshman who fails to achieve sophomore standing by the end of two regular semesters has one additional semester in which to qualify for sophomore standing. This additional semester must be completed during the summer session at Vanderbilt.

Listed below are the minimum requirements for reaching each classification:

<b><u>CLASS</u></b>	<b><u>HOURS</u></b>	<b><u>GPA</u></b>
Sophomore	24	1.8
Junior	54	1.9
Senior	84	2.0

Students must qualify for the next classification after two regular semesters. Failure to reach these next classifications will result in the student being placed on academic probation. A student who is placed on academic probation more than twice after reaching sophomore standing is subject to dismissal from the University.

## **STUDENT LEAVE OF ABSENCE**

A student desiring a leave of absence should obtain application forms and instructions from the Peabody Student Affairs Office. All students are eligible, provided they have not been dropped by the University and are not dropped at the end of the semester during which application is made.

## **TRANSFERRING COURSE WORK**

It is the student's responsibility to provide all of the information needed by the College to assess the program for which transfer credit is requested. Work presented for transfer must be from an accredited college and subject to evaluation in light of the degree requirements of the college.

Work transferred to Vanderbilt from another institution will not be computed in the Vanderbilt grade point average but will count as earned hours toward the degree

No course in which a grade below C- was received will be credited toward a degree program offered by the College.

***SEMESTER ABROAD WORK AT ANOTHER INSTITUTION:*** Students wanting to receive transfer credit for a semester of abroad work at another institution must receive approval in advance from the Peabody Office Records and Registration. In order to be eligible to receive a maximum of 15 total credit hours, students must obtain the necessary forms (available in the Peabody Office of Records and Registration). The following conditions must be met to obtain pre-approval to take courses elsewhere and complete the transfer of credit process:

1. If a Vanderbilt program is available in a city the student is interested in, the student must first apply to the Vanderbilt program through the Study Abroad Office. If the student is not accepted into that program, he/she

may apply to a program through a four-year accredited university other than Vanderbilt.

2. The student must be in good standing and have at least a 2.7 cumulative GPA at the time of application. **Application deadlines are: November 15 for the spring semester, April 15 for the fall semester.**
3. Courses must be approved by the appropriate department, and endorsed by the student's adviser.
4. Transfer courses may not be part of the student's final 24 hours at Vanderbilt.
5. Requests to study in domestic programs are ordinarily not approved.
6. An official transcript must be sent to the Peabody Office of Records and Registration to record the transfer credit on the Vanderbilt academic transcript.

***SUMMER COURSE WORK AT ANOTHER INSTITUTION:*** Students enrolled in Peabody College may receive credit for a maximum of 12 hours during summers at another fully accredited four-year institution. Students must obtain the necessary forms and gain approval from the Peabody Office of Records and Registration. The following conditions must be met to obtain pre-approval to take summer course work elsewhere and complete the transfer of credit process:

1. The student must be in good standing with a minimum GPA of 2.0.
2. Courses must be approved by the appropriate department, and endorsed by the student's adviser.
3. Transfer courses may not be part of the student's final 24 hours at Vanderbilt.
4. An official transcript must be sent to the Peabody Office of Records and Registration to record the transfer credit on the Vanderbilt academic transcript.

In general, summer courses taken at another institution may be transferred to Peabody College as elective credit by students majoring in Child Development, Child Studies, Cognitive Studies, and H&OD.

Students majoring in Education must complete a greater number of Liberal Education Core credit hours (up to 60 versus 40 for non-education majors). Therefore, they may take courses at another institution to satisfy liberal education core requirements (no more than one in any core area).

**Enrollment in appropriate courses to fulfill degree requirements and knowledge of university/college policies and regulations regarding academic matters are the responsibility of the individual student.**

# Education Programs

## PEABODY'S EDUCATION MAJORS

For over a century, Peabody's programs in teacher education have been recognized nationally. For the past nine years, Peabody has been ranked as Top Choice in the United States in the national survey of high school guidance counselors conducted by *Rugg's Recommendations on the Colleges*. The program differs from that of other schools of education not only because of the excellent quality of coursework and practicum experiences, but also because of the well-planned and carefully selected student teaching placements. In addition, nearly every faculty member is currently researching the teaching and learning of children, yielding new information and opportunities to practice newly researched methods of working with children of every need and ability. Peabody faculty are noted nationally for their expertise and frequent contributions to national publications and professional meetings as well as consulting roles with government agencies in the field of education.

Majors that can lead to a bachelors degree and teacher licensure in four years are available in Early Childhood Education (to teach children in preschool through grade 3), Elementary Education (to teach children in Kindergarten through grade 6), Secondary Education (to teach adolescents in grades 7-12), and Special Education (to teach children in a variety of grades, depending on the specialty area.). **If programs are carefully planned beginning with the freshman year**, all requirements can be met within the usual four-year undergraduate program. In some cases, particularly when a student enters teacher education after the first semester of the freshman year, or when a student plans to study abroad careful planning is essential. Without careful planning in such cases additional time to complete coursework beyond what is normally done within four years will likely be required.

Most students who enter teacher education at Peabody have worked with children as camp counselors, team coaches, swimming teachers, or volunteers, although such prior experience is not mandatory. Because of the many opportunities to visit schools to observe and have limited participation during some education courses and practica, students gain early insights into the profession of teaching. For those students who complete the program and are licensed in Tennessee, teaching can be possible reciprocally in most other states and overseas. Teachers who have graduated from Peabody can be found all over the world teaching children of all ages and abilities, nationalities, religions, socio-economic conditions, and cultures in careers ranging from preschool teachers, to school superintendents and state and national officials.

For additional information on licensure, contact Chris LaFevor, Director of Teacher Licensure ([chris.lafevor@vanderbilt.edu](mailto:chris.lafevor@vanderbilt.edu))

## **ACADEMIC INFORMATION SPECIFIC TO EDUCATION MAJORS**

### **PROGRAMS REQUIRING A SECOND MAJOR**

Students planning to major in early childhood, elementary or secondary education are required to have a second, non-education major. Through this non-education major, students are expected to develop in-depth knowledge in an academic subject. The following is a list of non-education majors that have been identified as particularly appropriate for students whose primary major is early childhood, elementary, or secondary education.

#### **EARLY CHILDHOOD EDUCATION PROGRAM Teaching License with PreK - Grade 3 Endorsement**

Second required major is Child Studies.

#### **ELEMENTARY EDUCATION PROGRAM Teaching License with K-6 Endorsement**

Second majors that are particularly appropriate include:

Majors in Peabody College

- Child Development
- Child Studies
- Cognitive Studies
- Human and Organizational Development
- Language and Literacy Studies
- Mathematics/Science Studies
- Natural Science Studies
- Social Studies
- Special Education

Any major in the College of Arts and Science.

#### **SECONDARY EDUCATION PROGRAMS Teaching License with a Subject Area Endorsement for Grades 7 –12**

The following non-education majors are particularly appropriate for secondary education majors because they may lead to teaching endorsement areas for grades 7-12.

- |                                  |                      |
|----------------------------------|----------------------|
| • Biological Sciences            | • Mathematics        |
| • Chemistry                      | • Physics            |
| • Economics*                     | • Political Science* |
| • English                        | • Psychology (9-12)* |
| • Earth & Environmental Sciences | • Sociology (9-12)*  |
| • History                        |                      |

**Note:** History and English majors should consider qualifying for a second endorsement to increase employment opportunities. Additionally, areas with an \* are required to include an additional endorsement in history.

### **BASIC SKILLS REQUIREMENT (PRAXIS I: paper/pencil version or computer version)**

It is a Tennessee licensure requirement that all students seeking initial teacher licensure at the bachelor's degree level must demonstrate proficiency in reading comprehension, language arts, and mathematics. Students who apply for admission to a teacher licensure program (Screening I) must meet this requirement by either: (1) attaining an SAT  $\geq$  1020 or ACT  $\geq$  22, or (2) passing the PRAXIS I tests (either the paper/pencil version or the computer version) before the departments can review their applications. Registration for PRAXIS I can be completed on line at [www.ets.org/praxis](http://www.ets.org/praxis).

Students should be aware that attaining the minimum scores does not guarantee admission to Vanderbilt's teacher licensure programs. Minimum scores set by the state for PRAXIS I (paper/pencil version) are as follows: Math – 173; Reading – 174; Writing – 173. Minimum scores set by the state for the computer version of PRAXIS I are as follows: Math – 318; Reading – 321; Writing – 319.

### **SECURITY CLEARANCE REQUIREMENT**

One of the strengths of Peabody's teacher education programs is time spent with students and teachers in schools. The sites used most frequently are Nashville area schools beginning in the freshman year. College students in Metro Nashville Schools must have security clearance before they may legally enter the schools. Metro Schools contract with Cogent Systems to complete fingerprinting that leads to FBI and TBI clearance procedures. There is a \$56 fee for this process (spring 2007 rate), payable at the time of fingerprinting. Additional information is available at [www.peabody.vanderbilt.edu/licensure](http://www.peabody.vanderbilt.edu/licensure) and at the Office of Teacher Licensure.

### **FIRST AID AND CPR REQUIREMENT**

Standard First Aid training and CPR (infant/child and/or adult) must be completed no more than two years prior to the semester of student teaching. Suggested facilities for training are the Vanderbilt Student Recreation Center, Red Cross Centers, YMCA/YWCAs, or hospitals. On-line training is not acceptable. Additional information is available at the Office of Teacher Licensure and at [www.peabody.vanderbilt.edu/licensure](http://www.peabody.vanderbilt.edu/licensure). Copies of first aid and CPR cards must be submitted to the Office of Teacher Licensure prior to or during the Screening II application process.

### **ADMISSION INTO THE TEACHER LICENSURE PROGRAM (Screening I)**

Each student seeking teacher licensure must be admitted into the appropriate teacher licensure program of the department he/she wishes to enter. Faculty recommend that teacher candidates apply for admission into the appropriate teacher licensure program during the spring semester of the sophomore year (February 1). Such applications **must** be made no later than the screening deadline during the fall semester of the junior year

(October 1). Students who transfer more than 24 hours to Vanderbilt from another institution must apply for admission into the teacher education program by the screening deadline of their second semester at Vanderbilt. The deadlines to apply for admission into the teacher education program each semester are: **October 1<sup>st</sup>** and **February 1<sup>st</sup>** (**Note: If either of these dates falls on a weekend, the deadline is moved to the following Monday**).

**Students MUST apply for Screening I at least one semester prior to completing Screening II (discussed in the next section).**

Screening applications are at [www.peabody.vanderbilt.edu/screening](http://www.peabody.vanderbilt.edu/screening). Please pay special attention to the portion of the application that lists additional materials that are required to be submitted at the time you submit your on-line Screening I application. All supplemental materials are to be submitted as indicated on the screening web page by the application deadline.

It is the student's responsibility to complete the entire application process in advance of the application deadline. After initial review in the Office of Teacher Licensure to determine eligibility, the applications will be forwarded to the appropriate faculty for review.

Criteria for formal admission to a teacher licensure program (**Screening I**) are:

A. Specific Criteria

- 1) 1020 SAT or 22 ACT. In the event that a student does not meet these criteria they will need to submit passing scores on PRAXIS I (either the paper/pencil or the computer-based version);
- 2) A minimum cumulative grade point average of 2.5 on the 4.0 system;
- 3) Successful completion of EDUC 1020 and SPED 1010 with a minimum grade of C- in each professional education course; and
- 4) Declaration of second major.

B. Specific Faculty Evaluation Criteria

These criteria rest on the professional judgment of faculty members. Whether a student meets them or not is determined by a poll of the appropriate faculty.

- 1) Endorsement by the appropriate faculty that the applicant has demonstrated that he/she possesses the academic qualifications expected of Vanderbilt teacher education candidates in areas in which teacher licensure is sought.\*
- 2) Endorsement by the appropriate faculty that the applicant has demonstrated that he/she possesses the personal and character traits expected of Vanderbilt teacher education candidates in the areas in which teacher licensure is sought.\*

*\* An undergraduate student seeking secondary school licensure must be approved by the Department of Teaching and Learning at Peabody and by the faculty of the College of Arts and Science department in which the student majors for an endorsement.*

Students should be aware that departmental reviews are important steps in the screening process and that admission to a teacher licensure program is not automatic with the attainment of a certain minimum grade point average and the completion of required courses. In the evaluation of a candidate's suitability for teaching, faculty members take into consideration such things as:

- 1) Dependability (as evidenced by good attendance in classes and practica and the completion of required assignments and procedures on time);
- 2) Professional and ethical behavior (honesty, acceptance of responsibility, emotional maturity, openness to constructive feedback, etc.);
- 3) Attitude and interpersonal skills (including the ability to work with children, peers, and program faculty);
- 4) Academic competence. It is possible for a student to meet minimum grade point requirements and pass all courses and still have specific academic weaknesses that might cause denial of admission. Students seeking teacher licensure must be approved by each department through which licensure is sought.

During the initial Screening I meeting, faculty within the Department of Teaching and Learning will review materials submitted by each applicant as well as discuss each applicant's performance and participation in coursework. During this initial meeting concerns raised by the faculty will be documented. Following this meeting any concerns raised by the faculty will be shared directly with the student(s) concerned. This will enable the student time to attend to and address the concerns raised throughout the semester. The final vote by faculty regarding a Screening I application will be taken at the end of the semester in which the student applies for Screening I.

Students will be notified in writing of the results of the final departmental vote. In instances where there is a negative decision, the students wishing to appeal must do so in writing to the chairperson(s) of the department(s) denying the application. If the initial decision is upheld and the student wishes to continue the appeal, a written petition should be filed with the Undergraduate Administrative Committee of Peabody College.

## **ADMISSION INTO STUDENT TEACHING (SCREENING II)**

The semester prior to the one in which a student plans to student teach, he/she must apply for student teaching (**Screening II**). The student should be enrolled in any remaining prerequisite courses. The deadlines to apply are **October 1<sup>st</sup>** and **February 1<sup>st</sup>**. (**Note:** *If either of these dates falls on a weekend the deadline is moved to the following Monday.*)

The screening application is at: [www.peabody.vanderbilt.edu/screening](http://www.peabody.vanderbilt.edu/screening). Please pay special attention to the portion of the application that lists additional materials that are required to be submitted along with your Screening II application. All supplemental materials are to be submitted as indicated on the screening web page by the application deadline.

The applications will be processed, and if eligible, forwarded to the appropriate department(s) for faculty review and vote. It is the student's responsibility to complete the application process in advance of the deadline.

**Students must apply for Screening I at least one semester prior to completing Screening II.**

The criteria that must be met for a student to be admitted into student teaching are as follows:

- 1) Admission to a teacher licensure program (Passing of Screening I) at least the previous semester;
- 2) At least second semester junior standing;
- 3) Successful completion (C- or above) in each professional education course prerequisite to student teaching;
- 4) Successful completion of the writing requirement in the Liberal Education Core;
- 5) A minimum cumulative grade point average of 2.5 (4.0 scale);
- 6) Satisfactory performance (C- or above) in coursework in areas in which teacher licensure is sought (any secondary education major who receives a grade lower than a C- in the second major **MUST** meet with his/her academic advisor within the Department of Teaching and Learning to discuss implications for Screening II);
- 7) First aid and CPR cards copied and submitted to Chris LaFevor in advance of the application deadline.
- 8) Approval by the appropriate faculty. A student seeking secondary licensure must be approved by the Department of Teaching and Learning at Peabody and by the faculty in the College of Arts and Science department in which the student majors and seeks an endorsement.

Students should be aware that departmental reviews are important steps in the screening process and that admission to the teacher licensure program and student teaching are not automatic with the attainment of a certain minimum grade point average and the completion of required courses. In the evaluation of a candidate's suitability for teaching, faculty members take into consideration such things as:

- 1) Dependability (as evidenced by good attendance in classes and practica and the completion of required assignments and procedures on time);
- 2) Professional and ethical behavior (honesty, acceptance of responsibility, emotional maturity, openness to constructive feedback etc.);
- 3) Attitude and interpersonal skills (including the ability to work with children, peers, and program faculty);
- 4) Academic competence. It is possible for a student to meet minimum grade point requirements and pass all courses and still have specific academic weaknesses that might cause denial of admission. Students seeking teacher licensure must be approved by each department through which licensure is sought.

During the initial Screening II meeting, faculty within the Department of Teaching and Learning will review materials submitted by each applicant, discuss each applicant's performance and participation in coursework and practica, and discuss the type of

student teaching placements most appropriate for each applicant given his/her prior experience. During this initial meeting concerns raised by the faculty will be documented. Following this meeting any concerns raised by the faculty will be shared directly with the student(s) concerned. This will enable the student time to attend to and address the concerns raised during the semester. The final vote by faculty regarding a Screening II application will be taken at the end of the semester in which the student applies for Screening II.

Students will be notified in writing of the results of the final departmental vote. In instances where there is a negative decision, the students wishing to appeal must do so in writing to the chairperson(s) of the department(s) denying the application. If the initial decision is upheld and the student wishes to continue the appeal, a written petition should be filed with the Undergraduate Administrative Committee of Peabody College.

Students who are approved to student teach will receive notification of their student teaching placements no later than during the Student Teacher Orientation (Monday before Vanderbilt classes begin on Wednesday for the student teaching semester). There also will be a required one-hour orientation for those who passed Screening II with the Office of Teacher Licensure prior to the end of the Screening II semester.

Students who have passed Screening II are assigned two student teaching placements in the Nashville area. (Students in early childhood and elementary education may apply to the Department of Teaching and Learning for one summer student teaching placement in a British primary school in Cambridge, England.)

## **STUDENT TEACHING**

Students who have passed Screening II to student teach the next semester must register for twelve semester hours of credit (nine hours of student teaching and three hours of seminar). State and district policy prohibits student teachers from taking any additional hours. **NO OTHER HOURS OR COURSES MAY BE TAKEN WITH STUDENT TEACHING.**

The fifteen weeks of full time student teaching will be divided into two placements. Each placement will involve a different grade level within the range of grades for the endorsement being sought (i.e., early childhood preK-4 – one preK or K placement and one 1<sup>st</sup> – 4<sup>th</sup> grade placement; elementary grades K-6 – one lower elementary placement and one upper elementary placement, or secondary education grades 7-12 – one middle school placement and one high school placement), at two different schools selected to provide as much variety in teaching environments as possible.

Required orientations begin on Monday morning before Vanderbilt classes begin on Wednesday, with student teachers beginning their first placement on Wednesday (the first day of classes). Observance of holidays during fall or spring semesters of student teaching is done according to the calendar of the school district where student teaching is performed. This means that the student teacher's holidays may not coincide with those recognized at Vanderbilt during the student teaching semester. The VU Director

of Residential and Judicial Affairs may be of assistance if there are anticipated housing complications during the student teaching semester.

One of the most important benefits to successful student teaching is the weekly supervision and visit from a Peabody supervisor during the student teaching semester. This design for supervision and frequent communication about student teaching performance requires that student teaching placements be within the Nashville area. During the fifteen-week student teaching semester, students travel daily to their student teaching site and once a week return to Peabody to participate in an afternoon seminar. If a prospective student teacher needs assistance with arranging transportation for student teaching, the student teacher should contact the Peabody faculty member who is responsible for selecting the student teaching placements as early as possible before the beginning of the placement process.

To be eligible for a teaching license in Tennessee and in other states, a graduate must earn a positive recommendation from the University. The University's recommendation of a candidate is based upon the following:

- 1) Maintaining the grade point average required for admission to teacher education (2.5 on a 4.0 scale);
- 2) Conferral of the bachelor's degree;
- 3) Achieving at least the minimum required scores on the PRAXIS series examinations. **The student must have official scores sent by ETS to Vanderbilt (code 1871);**
- 4) Receiving positive recommendation from the Peabody department of Teaching and Learning as a result of the student teaching experience. (A pass for student teaching does not guarantee a favorable recommendation.);
- 5) Completing an exit meeting with the Director of Teacher Licensure, including completion of required forms for transcripts and licensure; and
- 6) CPR and First Aid certification earned within two years prior to licensure recommendation.

Vanderbilt is accredited by the Southern Association of Colleges and Schools (SACS) and the National Council for Accreditation of Teacher Education (NCATE). Our teacher education programs are approved by the Tennessee Department of Education and by a variety of professional organizations such as the National Association for the Education of Young Children (NAEYC), the Association of Childhood Education International (ACEI), the National Council of Teachers of Mathematics (NCTM), the National Council for Teachers of English (NCTE), etc.

### **APPLICATION FOR LICENSURE AND UNIVERSITY RECOMMENDATION FOR LICENSURE**

All students completing the teacher education program at Vanderbilt are strongly advised to apply for a license in Tennessee whether or not they plan to teach in this state. In addition, licensure is available in most other states. The student is responsible for applying for licensure through the Office of Teacher Licensure. Each state has its own set of application forms and procedures for licensure; information is available in the Office of Teacher Licensure. A required exit meeting to complete licensure application forms for the State of Tennessee and other paperwork is scheduled for Monday evening of the last week of student teaching.

### **PRAXIS EXAMS (Vanderbilt Recipient Code is 1871)**

All students seeking Tennessee initial teacher licensure must pass required examinations. See the list of required tests for Tennessee at [www.peabody.vanderbilt.edu/licensure](http://www.peabody.vanderbilt.edu/licensure). Students are required to take multiple tests, depending on their endorsement. Registration forms and test schedules are available in departmental offices and at [www.ets.org/praxis](http://www.ets.org/praxis).

**Because testing requirements change irregularly and frequently, check with the Office of Teacher Licensure prior to registering for PRAXIS exams.**

Although passing PRAXIS II exams for licensure is not a graduation requirement, it is required for licensure in Tennessee. Even if a student does not plan to teach in Tennessee, having a Tennessee teaching license serves as a basis upon which applications for licensure can be made in other states where a student is interested in teaching. Vanderbilt does not require that PRAXIS II exams are prerequisite to entering student teaching; however, it is recommended that students register for all required tests at the beginning of the senior year to ensure a seat at the preferred testing center and to request financial aid, if desired, from ETS to cover part of the testing fees. Testing early also allows for time to retake any tests, if necessary, and still have passing scores reported prior to graduation. For most endorsements (i.e., elementary, English, Special Education), testing must be done on at least two test dates because there are too many tests to take on only one test date. Required tests for Tennessee licensure, test dates and registration deadlines are detailed at [www.peabody.vanderbilt.edu/licensure](http://www.peabody.vanderbilt.edu/licensure). Most students begin testing, which is always on a Saturday, prior to the student teaching semester and finish testing during student teaching. It is recommended that, for May graduation, all PRAXIS II testing is completed by the March test date so that scores will arrive at Vanderbilt just prior to commencement, allowing the licensure recommendation to be made to state offices as soon as the degree is conferred. Delaying completion of testing later than March causes delay in licensure recommendation, which may cause delays in a graduate's eligibility to sign a contract for a teaching position in Tennessee or other states. According to federally-prescribed schedules of testing and state calculations, Vanderbilt students completing PRAXIS II testing in 2005/2006 earned a cumulative pass rate of 98%.

### **PROGRAM PROGRESSION**

In addition to registration processes that go on each semester, there are program steps that each degree-seeking student must complete. Students seeking teacher licensure have several additional steps, which relate to the teacher education program and licensure. These steps were described in detail above. The chronological sequence for these processes is given on the following chart:

## TEACHER EDUCATION PROGRAM PROGRESSION CHECKLIST

When to Initiate?	What Procedure?	Where to Initiate?	Completed?
Fall of Freshman Year	Verify major	Office of Administration and Records	
	Fingerprinting	Office of Teacher Licensure or <a href="http://www.peabody.vanderbilt.edu/licensure">www.peabody.vanderbilt.edu/licensure</a> Metro Schools Board of Education	
Sophomore Year	Declare Second Major	Office of Administration and Records	
Spring of Sophomore Year (Feb. 1)	Apply for Screening I	<a href="http://www.peabody.vanderbilt.edu/screening">www.peabody.vanderbilt.edu/screening</a>	
Semester prior to student teaching	Apply for Screening II	<a href="http://www.peabody.vanderbilt.edu/screening">www.peabody.vanderbilt.edu/screening</a>	
Summer before graduation	Register to take PRAXIS exams	Check with Office of Teacher Licensure ( <a href="mailto:chris.lafevor@vanderbilt.edu">chris.lafevor@vanderbilt.edu</a> ) and <a href="http://www.ets.org/PRAXIS">www.ets.org/PRAXIS</a>	
During senior year	Job Search Open a placement file (optional)	Interfolio (check with the VU Career Center) 322-8723 or <a href="mailto:Lori.bumgarner@vanderbilt.edu">Lori.bumgarner@vanderbilt.edu</a>	
End of Student Teaching	Exit Meeting	Office of Teacher Licensure	

# **Early Childhood Education**

## EARLY CHILDHOOD EDUCATION MAJOR

(Offered by the Department of Teaching and Learning)

### Early Childhood Endorsement (PreK-3)

The early childhood education program is designed to prepare students for work with children in nursery schools, preschool programs, and primary grades (PreK-3). Beginning in the freshman year students observe and participate in a variety of educational activities in local schools, public agencies, and experimental schools on campus.

All early childhood education majors must complete Liberal Education Core requirements, a major in Child Studies, and the Early Childhood Education major (pedagogical courses and field experiences). Additionally students may choose to add a third major in Human and Organizational Development (Health and Human Services Track).

State licensure regulations which govern early childhood education (PreK-3) require Liberal Education Core courses beyond the 44 semester hours specified for a Peabody degree. Thus the program of studies for an early childhood major (PreK-3) will contain a minimum of 60 hours of Liberal Education Core courses instead of 44.

Although degree requirements for the various Peabody majors are outlined in the *Undergraduate Catalog*, students find it useful to have these requirements organized in worksheet form so they may keep track of their progress. A program of studies worksheet is provided at the end of this section. A schedule plan is also included to provide an overview of the program. In order to ensure completion of degree requirements within 4 academic years, this schedule plan **MUST** be followed.

As with other teacher licensure majors, students in the early childhood major must have a second major in another field of study. Due to the interdisciplinary nature of the early childhood profession, it is required that the second major be Child Studies.

Note: Vanderbilt students seeking Tennessee teacher licensure must apply for licensure through the Vanderbilt Office of Teacher Licensure and **must meet licensure requirements in effect at the time of their graduation** – which may be different from those in effect at the time they entered Vanderbilt. Requirements are currently undergoing change. Teacher licensure candidates are urged to consult the current Vanderbilt *Undergraduate Catalog* and/or materials published by the Vanderbilt Office of Teacher Licensure **each year** to keep abreast of possible changes in Tennessee requirements. Students should be aware that the requirements may change after publications of the Handbook and should be alert to notices or reminders sent from advisors or from the Office of Teacher Licensure.

### WARNINGS:

- 1) Because many courses for the Early Childhood major are offered once per year it is essential that you follow the suggested schedule plan. Deviation from the suggested schedule will likely require an additional semester (beyond the usual 4 year Undergraduate program) in order to complete required courses.
- 2) Because this specialization requires more than the minimum 120 hours to graduate and be licensed, students must begin their second major their freshman year. Students need to plan to take more than the normal 15 hours each semester and/or plan to attend summer school in order to graduate within four years.

## Peabody College Early Childhood Education (ECE) Major Degree Audit

The on-line Peabody major degree audits are still in an experimental stage and should be used in conjunction with this [Peabody Undergraduate Handbook](#). **Students are responsible for monitoring their own degree programs and satisfying all program and degree requirements listed in this handbook.**

### Logging On:

Go to the Vanderbilt Home page and click on students. Under Academic Resources click on *Access 2 Academic Information*. Enter your VUNET ID and your E-Password. You will then be given a choice of viewing your academic record or your degree audit.

### Reading the Degree Audit on line:

Open your degree audit and follow along with these instructions. (Audit categories may be expanded or collapsed by clicking on the + or - while viewing your audit)

#### **Plan: Bachelor of Science Degree**

This could print satisfied if you have at least a 2.0 GPA and 120 earned hours or greater. If the Audit Status under your name says "Not Satisfied", then all specific degree requirements have not been completed.

#### **Cumulative GPA**

A 2.0 cumulative GPA is required to graduate with a B.S. degree from Vanderbilt. Education majors must have a 2.5 cumulative Grade Point Average to be licensed to teach. **Required: 2.0 / Applied: \_\_\_\_\_**

The current cumulative GPA will be in the above blank once you have graded courses.

#### **Total Hours**

**Required: 120.0 / Applied: \_\_\_\_\_ Total Hours**

Applied hours include both earned hours (transfer, AP/IB, Vanderbilt) and current registered hours. The total of these will appear in the above blank. Some majors or major combinations require more than 120 hours to complete. A minimum of 120 hours with all requirements completed is required to graduate

**Pending:** Courses listed below this heading are the courses that you are currently enrolled in or courses with incompletes or missing grades from previous semesters. If you already have 120 hours or above, the audit will not list the current courses in this position.

#### **Minimum 60 Vanderbilt Hours required for Transfer Students**

This category is solely for students who have transferred to Vanderbilt University to be certain that they have the required minimum of sixty Vanderbilt hours to be awarded a Vanderbilt degree. Students who began their program as freshman at Vanderbilt may disregard this listing.

**Plan: The Core is Part of Your 1st Major: This status does not apply**  
Peabody Students should disregard this area. It will always be on the audit and say "Satisfied" but has **no** relevance to the Peabody major or Liberal Core audit.

**Plan: Early Childhood Education  
Major GPA**

**Required: 2.5 / Applied: \_\_\_\_\_**

Your current major GPA will be listed in the blank above. The courses with grades, hours and terms taken will be listed under this category.

**Major Core Components and Requirement categories will be listed.**

Course that fulfill these areas will populate the audit as courses are completed and the notations "Not Satisfied", "Pending", or "Satisfied" will appear for each major requirement area.

**Liberal Education Core Requirements** are sub plans of the major and are listed after your Peabody first major requirements. If you are taking a course that will count for both a first major requirement and a Liberal Education Core requirement, you must notify the Peabody Registrar's Office once the course has been successfully completed to have the course fulfill both requirements. An example is PSY 1630 which may be an ECE/CST major core course as well as a course for the social science area of the Liberal Education Core. The Liberal Education Core categories follow those listed in the Peabody handbook.

**The Natural Science Lab Science** category may seem confusing as the lab science list includes all the possible combinations that can fulfill the lab science requirement. All combinations other than the one taken will always print "not satisfied". If the main heading on any requirement prints "satisfied", then you have completed that requirements listed below. All Peabody students must have at least one science that has a laboratory component and an additional science course.

**The Other Science** category checks to make sure that the student has taken at least one other 3- or 4- hour science course. The student's lab science course will also be applied in this area in partial fulfillment of this category.

**Minimum 60 Hours (With all Liberal Core Areas Satisfied)**

This category will list all the courses that make up the Liberal Education Core hour requirement depending on the student's major. It includes the required elective hours that are required in the major liberal education core. Students awarded the SAT II Mathematics course exemption must still take additional hours in the liberal core to make up for those credit hours that would have been attributed to an actual mathematics course.

## General Notes:

- ❑ The Peabody first major is not totally satisfied until the Liberal Education Core is also satisfied.
- ❑ The degree audit does not list every course that a student has taken. Only courses that fulfill listed audit categories appear. Courses not listed are calculated into the hours need for the 120 minimum and the grades are included in the Cumulative Grade Point Average.
- ❑ The Main Headings for a requirement will have a green dash (-) if satisfied, orange dash if pending, or a red dash if not satisfied. If the dash is green, click on it and the specific requirements that make up the main heading will disappear and you may continue reviewing your audit. The orange pending dash means that you must successfully complete the listed current course or remove an Incomplete to satisfy that requirement. The red dash means that you have not completed the designated course(s) to fulfill the requirement.
- ❑ All 2<sup>nd</sup> and 3<sup>rd</sup> majors and minors will also be listed on the degree audit after the Peabody Liberal Education Core. Child Studies is a required second major for all Early Childhood Education Students and will be audited after the Early Childhood Liberal Education Core requirements
- ❑ Students who have questions concerning their **non-Peabody majors or minors** should contact the department and adviser of the non-Peabody majors or minors. Any substitutions for non-Peabody majors and minors are initiated by the student with that major/minor department who will in turn forward the variance (substitution) to their school Dean's Office for approval and entry into that particular major/minor audit. The Peabody Registrar's Office can only enter approved substitutions for Peabody majors or minors.
- ❑ Peabody has certain courses that may count for either Communications, Humanities, or other core area combinations. For example, ENGL 118W could be listed for Humanities even though you want that course to be applied under the Communications Area. If a case like this arises, students must email Jonnelle Rein ([j.rein@vanderbilt.edu](mailto:j.rein@vanderbilt.edu)) or Betty Lee ([betty.s.lee@vanderbilt.edu](mailto:betty.s.lee@vanderbilt.edu)) to have their audit manually adjusted.

## Printing the Degree Audit

Students may print the degree audit by clicking on "PRINT ALL" at the top right-hand part of the audit screen. (Clicking on "PRINT CORE" will not produce anything for Peabody Students.) The printed audit will be from 3 to 5 pages depending on the number of majors and minors that you have declared and the number of courses completed.

## How to Most Effectively Use the Degree Audit

1. Students should print their audit prior to every appointment with their adviser.
2. Highlight the highest level requirement areas on the audit that print "Not Satisfied"
3. Look up the courses that may be used to fulfill an area that is not satisfied in this handbook.
4. Take the highlighted audit to the advising appointment with a plan and course selections for completing "not satisfied" areas.
5. When students register for an up-coming semester, they can check their degree audit the next day to confirm that their course selections are being counted in the intended "not satisfied" area(s) on the degree audit.
6. Report any discrepancies regarding Peabody majors/minors or liberal core requirements on the audit to Jonnelle Rein ([j.rein@vanderbilt](mailto:j.rein@vanderbilt)) or Betty Lee ([betty.s.lee@vanderbilt.edu](mailto:betty.s.lee@vanderbilt.edu)) in the Peabody Registrar's Office.

## Running a Special Audit

Students who are thinking about changing their school, first major or adding a second/third major may use the special audit feature to see how their coursework would fall into those new major/minor requirements. **This does not replace the procedures for formally declaring majors and minors.**

### Procedures:

1. Click on the special audit selection
2. Enter the **name** of the major or minor you are wishing to audit. Example: Spanish
3. Click on the search button
4. Make your selection from the choices you are given by clicking the green check mark
5. If you are a Peabody student who is thinking about transferring to A&S, you would put AXLE in the box to see where your courses would fall if you were to transfer Schools. You would then separately audit the proposed major that you would declare as an A&S student.
6. The result will be what your audit would look like if you formally made that major/minor declaration
7. To formally declare a second major/minor in another school, you must go to that major's department and secure the major/minor declaration form, have an adviser assigned and return the form to the Peabody Registrar's Office. To change or add Peabody Majors/Minors, pick up the form in the Peabody Registrar's Office in 216 Administration Building.

**Liberal Education Core Requirements  
For Early Childhood Education Major  
(Minimum 60 Credit Hours)  
2007-2008**

**Communications (7 hours) to include:**

**One "W" course required (3 hours):**

**Communications Studies:** All CMST courses count (except CMST 280ABC and up)

**Education:** EDUC 2530

**English:** ENGL 102W, 104W, 105W, 106W, 112W, 115F, 116W, 117W, 118W, 120W

**Humanities:** HUM 105W, 106W, 107W, 108W, 115F

**Theatre:** THTR 100, 115F

**Plus (1 hour):**

**Education:** EDUC 2040

**Humanities (9 hours) to include:**

**One course (3 hours) from the following courses:**

**African American and Diaspora Studies:** AADS 260

**Arabic:** ARA 210B

**Chinese:** CHIN 202

**Classical Studies:** CLAS 115F, 130, 146, 150, 203-206, 216, 217, 224

**Comparative Literature:** CLT 202, 203, 215, 224, 240, 278, 285, 286, 287

**English (the same course may not count for both Communications and Humanities):**  
ENGL 102W, 104W, 105W, 106W, 112W, 115F, 116W, 117W, 118W, 208A and up (except ENGL 269, 288 & up)

**Film Studies:** FILM 125, 133

**French:** FREN 102 and up (except FREN 287A and up)

**German:** GER 102 and up (except GER 289A and up)

**Greek:** GRK 202 and up (except GRK 289)

**Hebrew:** HEBR 111B and up (except HEBR 289A and up)

**Humanities:** HUM 105W, 106W, 107W, 108W, 140, 141, 150, 151, 156, 175

**Italian:** ITA 101B and up (except ITA 289 and 294)

**Japanese:** JAPN 202 and up (except JAPN 289AB)

**Jewish Studies:** JS 135

**Latin:** LAT 102 and up (except LAT 289)

**Philosophy:** PHIL 100 and up (except PHIL 289AB and 294)

**Portuguese:** PORT 102 and up (except PORT 289 and 294)

**Religious Studies:** RLST 100 and up (except RLST 280 and up)

**Russian:** RUSS 102 and up (except RUSS 171, 172, 289A and up)

**Spanish:** SPAN 102 and up (except SPAN 280, 289, 294 and up)

**Theatre:** THTR 100, 170, 201, 202, 203, 204, 232, 271

**Women's and Gender Studies:** WGS 150, 239, 271

**Art and Music (3 hours) from the following:**

**Art Studio:** ARTS 101 and up (except ARTS 288 and up)

**Classical Studies:** CLAS 203, 204, 205, 206, 216, 217

**History of Art:** HART 110 and up (except HART 288 and up)

**Music Composition:** MUSC 100 and up (except MUSC 294 and up)

**Music Literature:** MUSL 103 and up (except MUSL 147, 160, 170, 171, 289 and up)

**Literature and Drama for Young Children (3 hours):**

**English Education:** ENED 2100

## **Mathematics (9 hours):**

### **Statistics (3 hours):**

**Mathematics:** MATH 127A, 127B

**Psychology:** PSY 2101

### **Mathematics (3 hours):**

SAT-II Math Test Score Level I of 620 and up or Level II of 570 and up will exempt a student from the 3 hour math requirement. Academic credit is not awarded for SAT II scores.

Students with SATII Math exemption should take three additional elective Liberal Core hours.

#### **Or one course from:**

MATH 140, 150A, 150B, 155A, 155B (Math 140 is recommended)

MATH 127A or 127B may be used here if not used for the statistics requirement

### **Mathematics Education: MTED 2100 (3 hours)**

## **Natural Science (7 hours):**

One Biological Science/Nursing course is required

### **One lab science (4 or 5 hours) from:**

**Astronomy:** ASTR 102 & 103, 175 & 103

**Biological Science:** BSCI 100, 110A & 111A, 110B & 111B, 218, 219

**Chemistry:** CHEM 101A & 100A, 101B & 100B, 102A & 104A, 102B & 104B

**Earth & Environmental Sciences:** EES 101 and 111, 102, 103 and 113, 225

**Nursing:** NURS 150, 210A, 210B

**Physics:** PHYS 105 & 106, 110 & 111, 117A & 119A, 117B & 119B, 121A, 121B

**And one of the following 3 hours – must be a Biological Sciences/Nursing course if not taken as a lab science:**

**Astronomy:** ASTR 102, 130, 175

**Biological Science:** BSCI 105, 110A, 110B **BSCI 105 is recommended**

**Chemistry:** CHEM 101A

**Earth & Environmental Sciences:** EES 100, 101, 103, 106, 108, 150

**Nursing:** NURS 231A and NURS 231B or NURS 231C

**Physics:** PHYS 105, 110

**Psychology:** PSY 201

**Or two lab science courses (8-10 hours) will meet the Natural Science requirement as long as one is a Biological Science course.**

## **Cultural Studies (3 hours) one course from the following:**

**African American and Diaspora Studies:** AADS 101, 110, 120, 155, 200, 201, 210, 215, 221, 230, 260

**American Studies:** AMER 100, 101, 104

**Anthropology:** ANTH 101, 103, 106, 206, 207, 210, 214, 220, 222, 223, 226, 228, 232, 233, 234, 237, 243, 246, 247, 248, 249, 251, 253, 259, 260, 262, 263, 264, 265, 266, 267

**Chinese:** CHIN 251, 252

**Classical Studies:** CLAS 130, 146, 150, 160, 171, 203, 204, 205, 206, 211, 217, 220, 222, 224, 236, 238

**Communication Studies:** CMST 223, 224, 228, 235, 240, 242

**Comparative Literature:** CLT 237, 240, 278, 285, 286, 287

**Earth & Environmental Sciences:** EES 205

**East Asian Studies:** EAS 211, 240

## Cultural Studies continued

**Economics:** ECON 224, 267, 288  
**Education:** EDUC 2060  
**English:** ENGL 118W, 246, 260, 263, 267, 268A, 268B, 271, 275, 276, 277, 279G, 282  
**European Studies:** EUS 201  
**Film Studies:** FILM 133, 235  
**French:** FREN 207, 208, 209, 215, 218, 232, 234, 239, 251, 255, 258, 261, 269, 270  
**German:** GER 172, 201, 216, 221, 222, 235, 237, 241, 270, 271, 273, 274, 275  
**Greek:** GRK 212  
**History:** HIST 140, 152, 154, 155, 156, 157, 160, 161, 168, 169, 172, 180, 181, 182, 187, 201, 202, 204, 205, 206, 207, 208, 210, 211, 212, 213, 221, 222, 233, 234, 235, 237, 238, 239, 240, 242, 243, 245, 246, 247, 248, 249, 250 – 260, 261, 262, 263, 264, 266, 267, 268, 269, 270, 271, 273, 276-280, 286, 287  
**History of Art** HART 120, 130, 222, 223, 234, 238, 239, 241, 242, 245, 251, 252, 253, 254, 255, 256, 257  
**Human and Organizational Development:** HOD 2240, 2400, 2410, 2420, 2430, 2460, 2660  
**Humanities:** HUM 107W, 156  
**Italian:** ITA 230

**Portuguese:** PORT 225  
**Psychology:** A&S – PSY 217, 240, 243, 266, 276; *Peabody* – PSY 2230  
**Religious Studies:** RLST 107, 110W, 112, 113, 114, 130, 131, 132, 133, 145, 150, 204, 205, 206, 219, 220, 222, 223, 226, 228, 229, 230, 231, 232, 233, 241, 244, 249, 251, 254  
**Russian:** RUSS 171, 172, 231, 232, 234  
**Sociology:** SOC 101, 102, 103, 104, 203, 215, 218, 224, 226, 227, 228, 229, 230, 234, 237, 239, 242, 244, 246, 248, 249, 250, 251, 254, 255, 256, 257, 258, 260, 261, 267, 268, 269, 272, 275, 276, 277, 278, 279, 291  
**Spanish:** SPAN 202, 204, 208, 221, 223, 226, 231, 235, 243, 244, 276  
**Special Education:** SPED 2060  
**Theatre:** THTR 216  
**Women's and Gender Studies:** WGS 150, 201, 210, 212, 226, 239, 240, 243, 244, 245, 261, 264, 265, 267, 268, 269, 270, 271, 272

## Social Science (9 hours) to include:

### United States History (3 hours) from the following:

HIST 170, 171, 172, 173, 176, 177, 271, 272, 274, 275, 276, 277, 278, 279, 280

### Other required Social Science courses (6 hours):

**Psychology:** PSY 1630

**Social Studies Education:** SSED 2100

### **Liberal Core Elective (16 hours):**

Any non-education course listed to satisfy any area of the Liberal Education Core that is not already being used to fulfill a core area.

**Note:** Special topics courses and independent study courses are not acceptable to meet liberal education core requirements. Courses chosen to fulfill an area of the Liberal Education Core can only be used to satisfy that one requirement. You may not use the same course for two requirement areas. **Exception:** Courses used to fulfill the Writing requirement may also be used to satisfy the appropriate area of the Liberal Education Core.

### **English 100 requirement:**

English 100 is required unless students have satisfied one of the following:

1. SAT I Critical Reading and writing combined test score of 1220 or above with a minimum test score of 500 in each component
2. ACT English test score of 27 or above **and** an ACT writing test score of 7 or above
3. AP/IB English test scores of 4 and 6 respectively

English 100 counts in the required credit hours only for completion of the B.S. degree. Academic credit is not awarded for SAT or ACT test scores.

### **Writing Requirement:**

All first year students must successfully complete one writing intensive course at the 100 level before their fourth semester. In addition, before graduation, all students must successfully complete a second writing course at the 100 or 200 level. Writing intensive courses have a **W** after the course number.

Early Childhood Education students may substitute CMST 100, 101, or Theatre 100 for one of the Writing courses to facilitate meeting the licensure requirement.

**Note:** First Year Seminars (courses labeled 115F) offered through the College of Arts and Science and Blair School of Music may count as writing intensive courses. Peabody freshmen may only register for First Year Seminars during the first week of the fall and spring semesters if the courses are open.

## Early Childhood Education/Child Studies Major Checklists

### EARLY CHILDHOOD

#### Pedagogical Courses [27 hours]

_____	EDUC 2117	Methods of Language and Literacy in Early Childhood	(3)
_____	EDUC 2130	Curriculum Programming: Birth-Age 3	(3)
_____	EDUC 2140	Curriculum Programming: Age 3-Kindergarten	(3)
_____	EDUC 2150	Science and Social Studies Instruction in Early Grades	(3)
_____	EDUC 2180	Managing Instructional Settings for Young Children	(2)
_____	HMED 2150	Arts Education for Young Children	(2)
_____	MTED 2150	Mathematics Instruction in Early Grades	(2)
_____	SPED 2010	Introduction to Instructional Model	(3)
_____	SPED 2420	Assessment Procedures for Young Children	(3)
_____	SPED 2870	Accommodating Academic Diversity in the Classroom	(3)

#### Field Experiences [14 hours]

_____	EDUC 2116	Practicum Teaching Early Childhood Reading & Lang.Arts	(1)
_____	EDUC 2151	Practicum Mathematics, Science, & Social Studies	(1)
_____	EDUC 2291	Student Teaching Seminar: Early Childhood	(3)
_____	EDUC 2702	Student Teaching in Early Childhood	(9)

### CHILD STUDIES [24 hours + 12 hours in the Liberal Core]

<u>  <b>X</b>  </u>	PSY 1630	Developmental Psychology (Liberal Core)	(3)
---------------------	----------	---	-----

#### One Course from:

_____	PSY 2510	Experimental Research Methods	(3)
_____	PSY 2520	Observational Research Methods	(3)
_____	PSY 2530	Psychometric Methods	(3)
_____	HOD 1700	Systematic Inquiry	(3)

#### Two Courses from:

_____	PSY 1500	Cognitive Aspects of Human Development	(3)
_____	PSY 1750	Social and Personality Development	(3)
_____	PSY 2250	Infancy	(3)

#### Other Required Courses:

_____	EDUC 1020	Society, the School, and the Teacher	(3)
_____	EDUC 2115	Language & Literacy Learning in Young Children	(3)
_____	EDUC 2120	Parents and Their Developing Children	(3)
<u>  <b>X</b>  </u>	ENED 2100	Literature and Drama for Young Children (Liberal Core)	(3)
<u>  <b>X</b>  </u>	MTED 2100	Young Child. Math. Thinking and Learning (Liberal Core)	(3)
<u>  <b>X</b>  </u>	SSED 2100	Scientific & Historical Reasoning in YC (Liberal Core)	(3)
_____	SPED 1010	Introduction to Exceptionality	(3)
_____	SPED 2030	Introduction to Language and Communication	(3)

**POTENTIAL THIRD MAJOR FOR  
EARLY CHILDHOOD EDUCATION FIRST MAJORS**

**HUMAN AND ORGANIZATIONAL DEVELOPMENT [27 Hours]**

**Core Courses [9hours]**

_____	HOD 1100 Small Group Behavior	(3)
_____	HOD 1200 Understanding Organizations	(3)
_____	HOD 1800 Public Policy	(3)

**Health and Human Services Track [15 hours]**

**The nine-hour HHS track core includes the following courses:**

_____	HOD 2510 Health Service Delivery to Diverse Populations	(3)
-------	---	-----

2 courses chosen from the following 3 options:

_____	HOD 2500 Introduction to Human Services (Spring)	(3)
_____	HOD 2505 Introduction to Counseling (Fall, Spring)	(3)
_____	HOD 2525 Introduction to Health Services (Fall)	(3)

**Plus 2 additional HOD courses above the 2100 level** excluding HOD 2260, 2900, 2910, 2920, 2930, 2980 - 2989: track electives may be from any area of concentration. (6)

\_\_\_\_\_  
\_\_\_\_\_

**Senior Project [3 hours]**

_____	HOD 2930 Senior Project	(3)
-------	-------------------------	-----

The senior project is normally completed during the senior year. Students should contact the H&OD Internship Office prior to registration.

# Elementary Education

## **ELEMENTARY EDUCATION MAJOR**

(offered by the Department of Teaching and Learning)

### **Elementary Endorsement (K-6)**

The elementary education program is currently designed to prepare students for work with children in grades K-6. Beginning in the freshman year students observe and participate in a variety of educational activities in local schools, public agencies, and experimental schools on campus.

All elementary education majors must complete Liberal Education Core requirements, Professional Core requirements (foundations courses, pedagogical courses, and field experiences), and a non-education major. The non-education major can be any major within Peabody College or the College of Arts & Science. Students choosing a second major in Special Education will receive dual endorsements in Elementary Education (K-6) and Special Education. Programs of studies detailing a variety of options may be found at the end of this section.

State licensure regulations which govern elementary programs require Liberal Education Core courses beyond the 44 semester hours specified for a Peabody degree. Thus the program of studies for an elementary education major (K-6) will contain a minimum of 60 hours of Liberal Education Core courses instead of 44.

Although degree requirements for the various Peabody majors are outlined in the *Undergraduate Catalog*, students find it useful to have these requirements organized in worksheet form so they may keep track of their progress. A program of studies worksheet is provided at the end of this section. A suggested schedule plan is also included to provide an overview of the program and is not necessarily the only way courses can be selected. It is important, however, to schedule courses so that all prerequisites are met prior to student teaching.

As with other teacher licensure majors, students in elementary education must have a second major in another field of study. Students may choose either an interdisciplinary or a single discipline major from the following:

#### Peabody College Interdisciplinary Majors

- Child Studies
- Language and Literacy Studies
- Math/Science Studies
- Natural Science Studies
- Social Studies

#### Peabody College Single Discipline

- Child Development
- Cognitive Studies
- Human and Organizational Development
- Special Education

#### College of Arts and Science Single Discipline

- Any major offered by the College

A description and listing of required courses for each of the Peabody Majors are found later in this manual. College of Arts and Science major requirements are listed in the Undergraduate Bulletin.

Note: Vanderbilt students seeking Tennessee teacher licensure must apply for licensure through the Vanderbilt Office of Teacher Licensure and **must meet licensure requirements in effect at the time of their graduation** – which may be different from those in effect at the time they entered Vanderbilt. Requirements are currently undergoing change. Teacher licensure candidates are urged to consult the current Vanderbilt *Undergraduate Catalog* and/or materials published by the Vanderbilt Office of Teacher Licensure **each year** to keep abreast of possible changes in Tennessee requirements. Students should be aware that the requirements may change after publications of the Handbook and should be alert to notices or reminders sent from advisors or from the Office of Teacher Licensure.

**WARNING: Because this specialization requires more than the 120 hours to graduate and be licensed, students must begin their second major their freshman year. Students need to plan to take more than the normal 15 hours each semester and/or plan to attend summer school in order to graduate within four years.**

## **Peabody College Elementary Education (ELEM) Major Degree Audit**

The on-line Peabody major degree audits are still in an experimental stage and should be used in conjunction with this [Peabody Undergraduate Handbook](#). **Students are responsible for monitoring their own degree programs and satisfying all program and degree requirements listed in this handbook.**

### **Logging On:**

Go to the Vanderbilt Home page and click on students. Under Academic Resources click on *Access 2 Academic Information*. Enter your VUNET ID and your E-Password. You will then be given a choice of viewing your academic record or your degree audit.

### **Reading the Degree Audit on line:**

Open your degree audit and follow along with these instructions. (Audit categories may be expanded or collapsed by clicking on the + or - while viewing your audit)

#### **Plan: Bachelor of Science Degree**

This could print satisfied if you have at least a 2.0 GPA and 120 earned hours or greater. If the Audit Status under your name says "Not Satisfied", then all specific degree requirements have not been completed.

#### **Cumulative GPA**

A 2.0 cumulative GPA is required to graduate with a B.S. degree from Vanderbilt. Education majors must have a 2.5 cumulative Grade Point Average to be licensed to teach. **Required: 2.0 / Applied: \_\_\_\_\_**  
The current cumulative GPA will be in the above blank once you have graded courses.

#### **Total Hours**

**Required: 120.0 / Applied: \_\_\_\_\_ Total Hours**

Applied hours include both earned hours (transfer, AP/IB, Vanderbilt) and current registered hours. The total of these will appear in the above blank. Some majors or major combinations require more than 120 hours to complete. A minimum of 120 hours with all requirements completed is required to graduate

**Pending:** Courses listed below this heading are the courses that you are currently enrolled in or courses with incompletes or missing grades from previous semesters. If you already have 120 hours or above, the audit will not list the current courses in this position.

**Minimum 60 Vanderbilt Hours required for Transfer Students**

This category is solely for students who have transferred to Vanderbilt University to be certain that they have the required minimum of sixty Vanderbilt hours to be awarded a Vanderbilt degree. Students who began their program as freshman at Vanderbilt may disregard this listing.

**Plan: The Core is Part of Your 1st Major: This status does not apply**

Peabody Students should disregard this area. It will always be on the audit and say "Satisfied" but has **no** relevance to the Peabody major or Liberal Core audit.

**Plan: Elementary Education**

**Major GPA**

**Required: 2.5 / Applied: \_\_\_\_\_**

Your current major GPA will be listed in the blank above. The courses with grades, hours and terms taken will be listed under this category.

**Major Core Components and Requirement categories will be listed.**

Course that fulfill these areas will populate the audit as courses are completed and the notations "Not Satisfied", "Pending", or "Satisfied" will appear for each major requirement area.

**Liberal Education Core Requirements** are sub plans of the major and are listed after your Peabody first major requirements. The Liberal Education Core categories follow those listed in the Peabody handbook.

**The Natural Science Lab Science** category may seem confusing as the lab science list includes all the possible combinations that can fulfill the lab science requirement. All combinations other than the ones taken will always print "not satisfied". If the main heading on any requirement prints "satisfied", then you have completed the requirements listed below. All Elementary majors must have two science courses that have a laboratory component.

**Minimum 60 Hours (With all Liberal Core Areas Satisfied)**

This category will list all the courses that make up the Liberal Education Core hour requirement depending on the student's major. It includes the required elective hours that are required in the major liberal education core. Students awarded the SAT II Mathematics course exemption must still take additional hours in the liberal core to make up for those credit hours that would have been attributed to an actual mathematics course.

## General Notes:

- ❑ The Peabody first major is not totally satisfied until the Liberal Education Core is also satisfied.
- ❑ The degree audit does not list every course that a student has taken. Only courses that fulfill listed audit categories appear. Courses not listed are calculated into the hours need for the 120 minimum and the grades are included in the Cumulative Grade Point Average.
- ❑ The Main Headings for a requirement will have a green dash (-) if satisfied, orange dash if pending, or a red dash if not satisfied. If the dash is green, click on it and the specific requirements that make up the main heading will disappear and you may continue reviewing your audit. The orange pending dash means that you must successfully complete the listed current course or remove an Incomplete to satisfy that requirement. The red dash means that you have not completed the designated course(s) to fulfill the requirement.
- ❑ All 2<sup>nd</sup> and 3<sup>rd</sup> majors and minors will also be listed on the degree audit after the Peabody Liberal Education Core. Elementary Education students are required to have an approved second major. This should be formally declared in the second semester of the sophomore year.
- ❑ Students who have questions concerning their **non-Peabody majors or minors** should contact the department and adviser of the non-Peabody majors or minors. Any substitutions for non-Peabody majors and minors are initiated by the student with that major/minor department who will in turn forward the variance (substitution) to their school Dean's Office for approval and entry into that particular major/minor audit. The Peabody Registrar's Office can only enter approved substitutions for Peabody majors or minors.
- ❑ Peabody has certain courses that may count for either Communications, Humanities, or other core area combinations. For example, ENGL 118W could be listed for Humanities even though you want that course to be applied under the Communications Area. If a case like this arises, students must email Jonnelle Rein ([j.rein@vanderbilt.edu](mailto:j.rein@vanderbilt.edu)) or Betty Lee ([betty.s.lee@vanderbilt.edu](mailto:betty.s.lee@vanderbilt.edu)) to have their audit manually adjusted.

## Printing the Degree Audit

Students may print the degree audit by clicking on "PRINT ALL" at the top right-hand part of the audit screen. (Clicking on "PRINT CORE" will not produce anything for Peabody Students.) The printed audit will be from 3 to 5 pages depending on the number of majors and minors that you have declared and the number of courses completed.

## How to Most Effectively Use the Degree Audit

7. Students should print their audit prior to every appointment with their adviser.
8. Highlight the highest level requirement areas on the audit that print "Not Satisfied"
9. Look up the courses that may be used to fulfill an area that is not satisfied in this handbook.
10. Take the highlighted audit to the advising appointment with a plan and course selections for completing "not satisfied" areas.
11. When students register for an up-coming semester, they can check their degree audit the next day to confirm that their course selections are being counted in the intended "not satisfied" area(s) on the degree audit.
12. Report any discrepancies regarding Peabody majors/minors or liberal core requirements on the audit to Jonnelle Rein ([j.rein@vanderbilt](mailto:j.rein@vanderbilt)) or Betty Lee ([betty.s.lee@vanderbilt.edu](mailto:betty.s.lee@vanderbilt.edu)) in the Peabody Registrar's Office.

## Running a Special Audit

Students who are thinking about changing their school, first major or adding a second/third major may use the special audit feature to see how their coursework would fall into those new major/minor requirements. **This does not replace the procedures for formally declaring majors and minors.**

### Procedures:

8. Click on the special audit selection
9. Enter the **name** of the major or minor you are wishing to audit.  
Example: Spanish
10. Click on the search button
11. Make your selection from the choices you are given by clicking the green check mark
12. If you are a Peabody student who is thinking about transferring to A&S, you would put AXLE in the box to see where your courses would fall if you were to transfer Schools. You would then separately audit the proposed major that you would declare as an A&S student.
13. The result will be what your audit would look like if you formally made that major/minor declaration
14. To formally declare a second major/minor in another school, you must go to that major's department and secure the major/minor declaration form, have an adviser assigned and return the form to the Peabody Registrar's Office. To change or add Peabody Majors/Minors, pick up the form in the Peabody Registrar's Office in 216 Administration Building.

**Liberal Education Core Requirements  
For Elementary Education Major  
(Minimum 60 Credit Hours)  
2007-2008**

**Communications (7 hours) to include:**

**One “W” course required (3 hours):**

**Communications Studies:** All CMST courses count (except CMST 280ABC and up)

**Education:** EDUC 2530

**English:** ENGL 102W, 104W, 105W, 106W, 112W, 115F, 116W, 117W, 118W, 120W

**Humanities:** HUM 105W, 106W, 107W, 108W, 115F

**Theatre:** THTR 100, 115F

**Plus (1 hour):**

**Education:** EDUC 2040

**Humanities (9 hours) to include:**

**One course (3 hours) from the following courses:**

**African American and Diaspora Studies:** AADS 260

**Arabic:** ARA 210B

**Chinese:** CHIN 202

**Classical Studies:** CLAS 115F, 130, 146, 150, 203-206, 216, 217, 224

**Comparative Literature:** CLT 202, 203, 215, 224, 240, 278, 285, 286, 287

**English (the same course may not count for both Communications and**

**Humanities):** ENGL 102W, 104W, 105W, 106W, 112W, 115F, 116W, 117W, 118W, 208A and up (except ENGL 269, 288 & up)

**Film Studies:** FILM 125, 133

**French:** FREN 102 and up (except FREN 287A and up)

**German:** GER 102 and up (except GER 289A and up)

**Greek:** GRK 202 and up (except GRK 289)

**Hebrew:** HEBR 111B and up (except HEBR 289A and up)

**Humanities:** HUM 105W, 106W, 107W, 108W, 140, 141, 150, 151, 156, 175

**Latin:** LAT 102 and up (except LAT 289)

**Philosophy:** PHIL 100 and up (except PHIL 289AB and 294)

**Portuguese:** PORT 102 and up (except PORT 289 and 294)

**Religious Studies:** RLST 100 and up (except RLST 280 and up)

**Russian:** RUSS 102 and up (except RUSS 171, 172, 289A and up)

**Spanish:** SPAN 102 and up (except SPAN 280, 289, 294 and up)

**Theatre:** THTR 100, 170, 201, 202, 203, 204, 232, 271

**Women’s and Gender Studies:** WGS 150, 239, 271

**Art and Music (3 hours) from the following:**

**Art Studio:** ARTS 101 and up (except ARTS 288 and up)

**Classical Studies:** CLAS 203, 204, 205, 206, 216, 217

**History of Art:** HART 110 and up (except HART 288 and up)

**Music Composition:** MUSC 100 and up (except MUSC 294 and up)

**Music Literature:** MUSL 103 and up (except MUSL 147, 160, 170, 171, 289 and up)

**Literature and Drama for Young Children (3 hours):**

**English Education:** ENED 2100

## **Mathematics (9 hours):**

### **Mathematics (6 hours):**

Six hours (two courses) in mathematics or one mathematics course and PSY 2101  
SAT-II Math Test Score Level I of 620 and up or Level II of 570 and up will exempt a student  
from 3 hours of the six hour math requirement. Academic credit is not awarded for SAT II scores.  
Students with SATII Math exemption should take three additional elective Liberal Core hours.

**Mathematics:** 127A, 127B, 140, 150A, 150B, 155A, 155B, PSY 2101

### **Mathematics Education: MTED 2200 (3 hours)**

## **Natural Science (11 hours):**

### **Two lab science (8 to 10 hours) from:**

**Astronomy:** ASTR 102 & 103, 175 & 103

**Biological Science:** BSCI 100, 110A & 111A, 110B & 111B, 218, 219

**Chemistry:** CHEM 101A & 100A, 101B & 100B, 102A & 104A, 102B & 104B

**Earth and Environmental Sciences:** EES 101 & 111, 102, 103 & 113, 225

**Nursing:** NURS 150, 210A, 210B

**Physics:** PHYS 105 & 106, 110 & 111, 117A & 119A, 117B & 119B, 121A, 121B

**One lab science from Biological Science, Chemistry, Nursing or Physics is required.**

## **Cultural Studies (3 hours) one course from the following:**

**African American and Diaspora Studies:** AADS 101, 110, 120, 155, 200, 201, 210, 215, 221, 230, 260

**American Studies:** AMER 100, 101, 104

**Anthropology:** ANTH 101, 103, 106, 206, 207, 210, 214, 220, 222, 223, 226, 228, 232, 233, 234, 237, 243, 246, 247, 248, 249, 251, 253, 259, 260, 262, 263, 264, 265, 266, 267

**Chinese:** CHIN 251, 252

**Classical Studies:** CLAS 130, 146, 150, 160, 171, 203, 204, 205, 206, 211, 217, 220, 222, 224, 236, 238

**Communication Studies:** CMST 223, 224, 228, 235, 240, 242

**Comparative Literature:** CLT 237, 240, 278, 285, 286, 287

**Earth & Environmental Sciences:** EES 205

**East Asian Studies:** EAS 211, 240

**Economics:** ECON 224, 267, 288

**Education:** EDUC 2060

**English:** ENGL 118W, 246, 260, 263, 267, 268A/B, 271, 275-277, 279G, 282

**European Studies:** EUS 201

**Film Studies:** FILM 133, 235

**French:** FREN 207-209, 215, 218, 232, 234, 239, 251, 255, 258, 261, 269, 270

**German:** GER 172, 201, 216, 221, 222, 235, 237, 241, 270, 271, 273, 274, 275

**Greek:** GRK 212

### **Cultural Studies continued**

**History:** HIST 140, 152, 154, 155, 156, 157, 160, 161, 168, 169, 172, 180, 181, 182, 187, 201, 202, 204, 205, 206, 207, 208, 210, 211, 212, 213, 221, 222, 233, 234, 235, 237, 238, 239, 240, 242, 243, 245, 246, 247, 248, 249, 250 – 260, 261, 262, 263, 264, 266, 267, 268, 269, 270, 271, 273, 276-280, 286, 287  
**History of Art** HART 120, 130, 222, 223, 234, 238, 239, 241, 242, 245, 251, 252, 253, 254, 255, 256, 257  
**Human and Organizational Development:** HOD 2240, 2400, 2410, 2420, 2430, 2460, 2660  
**Humanities:** HUM 107W, 156  
**Italian:** ITA 230  
**Jewish Studies:** JS 120, 121, 135, 155, 156, 245, 250, 251, 252, 254, 255  
**Latin:** LAT 206, 215  
**Latin American Studies:** LAS 201, 235, 260  
**Medicine, Health and Society:** MHS 201  
**Music Literature:** MUSL 103, 160, 170, 171, 200, 201, 250, 252, 261, 262  
**Philosophy:** PHIL 103, 211, 235, 238, 252, 258, 261, 262, 263  
**Political Science:** PSCI 101, 102, 204, 205, 206, 208, 212, 213, 214, 215, 216, 217, 218, 219, 228, 230, 247, 263  
**Portuguese:** PORT 225  
**Psychology:** A&S – PSY 217, 240, 243, 266, 276; *Peabody* – PSY 2230  
**Religious Studies:** RLST 107, 110W, 112, 113, 114, 130, 131, 132, 133, 145, 150, 204, 205, 206, 219, 220, 222, 223, 226, 228, 229, 230, 231, 232, 233, 241, 244, 249, 251, 254  
**Russian:** RUSS 171, 172, 231, 232, 234  
**Sociology:** SOC 101, 102, 103, 104, 203, 215, 218, 224, 226, 227, 228, 229, 230, 234, 237, 239, 242, 244, 246, 248, 249, 250, 251, 254, 255, 256, 257, 258, 260, 261, 267, 268, 269, 272, 275, 276, 277, 278, 279, 291  
**Spanish:** SPAN 202, 204, 208, 221, 223, 226, 231, 235, 243, 244, 276  
**Special Education:** SPED 2060  
**Theatre:** THTR 216  
**Women's and Gender Studies:** WGS 150, 201, 210, 212, 226, 239, 240, 243, 244, 245, 261, 264, 265, 267, 268, 269, 270, 271, 272

### **Social Science (6 hours) to include:**

#### **United States History (3 hours) from the following:**

HIST 170, 171, 172, 173, 176, 177, 271, 272, 274, 275, 276, 277, 278, 279, 280

#### **Required Social Science courses (3 hours):**

**Psychology:** PSY 1630

**Social Studies Education:** SSED 2100

### **Liberal Core Elective (15 hours):**

Any non-education course listed to satisfy any area of the Liberal Education Core that is not already being used to fulfill a core area.

**Note:** Special topics courses and independent study courses are not acceptable to meet liberal education core requirements. Courses chosen to fulfill an area of the Liberal Education Core can only be used to satisfy that one requirement. You may not use the same course for two requirement areas. **Exception:** Courses used to fulfill the Writing requirement or second major may also be used to satisfy the appropriate area of the Liberal Education Core.

## English 100 requirement:

English 100 is required unless students have satisfied one of the following:

1. SAT I Critical Reading and writing combined test score of 1220 or above with a minimum test score of 500 in each component
2. ACT English test score of 27 or above **and** an ACT writing test score of 7 or above
3. AP/IB English test scores of 4 and 6 respectively

English 100 counts for elective credit only toward the required hours for the B.S. degree. Academic credit is not awarded for SAT or ACT test scores.

## Writing Requirement:

All first year students must successfully complete one writing intensive course at the 100 level before their fourth semester. In addition, before graduation, all students must successfully complete a second writing course at the 100 or 200 level. Writing intensive courses have a **W** after the course number.

Elementary Education students may substitute CMST 100, 101, or Theatre 100 for one of the Writing courses to facilitate meeting the licensure requirement.

**Note:** First Year Seminars (courses labeled 115F) offered through the College of Arts and Science and Blair School of Music may count as writing intensive courses. Peabody freshmen may only register for First Year Seminars during the first week of the fall and spring semesters if the courses are open.

**Elementary Education (K-6)**  
**Suggested Schedule for Coursework in Major**

## ELEMENTARY EDUCATION MAJOR CHECKLIST [43 Hours]

### Foundations Courses [9 hours]

_____	EDUC 1020	Society, the School, and the Teacher	(3)
_____	SPED 1010	Introduction to Exceptionality	(3)
_____	PSY 2310	Educational Psychology	(3)

### Pedagogical Courses [19 hours]

_____	EDUC 2215	Theory & Methods of Reading Instruction Elementary	(3)
_____	EDUC 2217	Language Arts in Elementary School	(3)
_____	EDUC 2270	Managing Instructional Settings	(2)
_____	EDUC 2430	Addressing Problems in Literacy Learning	(3)
_____	HMED 2250	Introduction to Arts Education	(2)
_____	MTED 2250	Teaching Mathematics in Elementary Schools	(2)
_____	SCED 2250	Teaching Science in Elementary Schools	(2)
_____	SSED 2210	Teaching Social Studies in Elementary Schools	(2)

### Field Experiences [15 hours]

_____	EDUC 2210	Practicum in Elementary Education	(1)
_____	EDUC 2216	Practicum Elementary Reading & Language Arts	(1)
_____	EDUC 2250	Practicum in Elementary Sciences	(1)
_____	EDUC 2290	Student Teaching Seminar: Elementary	(3)
_____	EDUC 2701	Student Teaching in the Elementary School	(9)

Required Second Major in \_\_\_\_\_

_____	( )	_____	( )
_____	( )	_____	( )
_____	( )	_____	( )
_____	( )	_____	( )
_____	( )	_____	( )
_____	( )	_____	( )
_____	( )	_____	( )
_____	( )	_____	( )

Note: Many second major courses may also count in the Liberal Education core.

**The Liberal education Core, Elementary Education Major, and Second Major must total a minimum of 120 hours for graduation with the Bachelor of Science degree.**

## POTENTIAL PEABODY SECOND MAJORS

### Child Studies [18 additional hours]

Two of the following:

- \_\_\_\_\_ PSY 1500 Cog. Aspects Hum. Devl. (3)
- \_\_\_\_\_ PSY 1750 Soc. & Personality Devl. (3)
- \_\_\_\_\_ PSY 2320 Adolescent Development (3)

One of the following:

- \_\_\_\_\_ PSY 2510 Experimental Methods (3)
- \_\_\_\_\_ PSY 2520 Observational Methods (3)
- \_\_\_\_\_ PSY 2530 Psychometric Methods (3)
- \_\_\_\_\_ HOD 1700 Systematic Inquiry (3)

One of the following:

- \_\_\_\_\_ PSY 2000 Psychology and Lang. (3)
- \_\_\_\_\_ SPED 2030 Language & Com. (3)

And if not taken in the Liberal Core:

- \_\_\_\_\_ PSY 2101 Introduction to Statistics (3)

### Cognitive Studies [30-33 hours]

- \_\_\_\_\_ PSY 1200 Minds, Brains, Cont. (3)
- \_\_\_\_\_ PSY 1600 Psychology of Thinking (3)
- \_\_\_\_\_ PSY 2100 Advanced Seminar (3)

One of the following:

- \_\_\_\_\_ PSY 2510 Experimental Methods (3)
- \_\_\_\_\_ PSY 208 Prin. Experimental Dsgn. (3)

Methods of Inquiry [6 hours]

- \_\_\_\_\_ (3)
- \_\_\_\_\_ (3)

Cognitive Studies Electives [12 hours]

- \_\_\_\_\_ (3)
- \_\_\_\_\_ (3)
- \_\_\_\_\_ (3)
- \_\_\_\_\_ (3)

And if not taken in the Liberal Core:

- \_\_\_\_\_ PSY 2101 Intro. to Statistics (3)

### Child Development [27 additional hours]

- \_\_\_\_\_ PSY 1500 Cog. Aspects Hum. Devl. (3)
- \_\_\_\_\_ PSY 1750 Soc. & Personality Devl. (3)
- \_\_\_\_\_ PSY 2102 Statistical Analysis (3)
- \_\_\_\_\_ PSY 2250 or 2320 (3)

Two of the following:

- \_\_\_\_\_ PSY 2510 Experimental Methods (3)
- \_\_\_\_\_ PSY 2520 Observational Methods (3)
- \_\_\_\_\_ PSY 2530 Psychometric Methods (3)
- \_\_\_\_\_ PSY 2980 Directed Research (3)
- \_\_\_\_\_ PSY 2990 Honors Research (3)

Child Development Elective [3 hours]

- \_\_\_\_\_ (3)

And if not taken in the Liberal Core:

- \_\_\_\_\_ PSY 2101 Introduction to Statistics (3)
- \_\_\_\_\_ Philosophy Course (3)

### Human & Organizational Development [33-42 hours]

- \_\_\_\_\_ HOD 1000 Applied Human Behavior (3)
- \_\_\_\_\_ HOD 1100 Small Group Behavior (3)
- \_\_\_\_\_ HOD 1200 Understanding Organiz. (3)
- \_\_\_\_\_ HOD 1700 Systematic Inquiry (3)
- \_\_\_\_\_ HOD 1800 Public Policy (3)
- \_\_\_\_\_ HOD 2930 Senior Project (3)

HOD Track Core [9 hours] from one track:

- \_\_\_\_\_ Community Leadership and Development
- \_\_\_\_\_ Health and Human Services
- \_\_\_\_\_ International Leadership & Development
- \_\_\_\_\_ Leadership & Organizational Effectiveness
- \_\_\_\_\_ Public Policy

HOD Track Electives [6 hours]

- \_\_\_\_\_ (3)
- \_\_\_\_\_ (3)

And if not taken in the Liberal Core:

- \_\_\_\_\_ PSY 2101 Intro to Statistics (3)
- \_\_\_\_\_ Philosophy Course (3)
- \_\_\_\_\_ ECON 100 or 101 (3)

**Students should always consult their adviser and degree audit for the second major concerning course selections and progression toward major completion.**

## Special Education

### Comprehensive Program [18 hours]

_____	SPED 2050 Augmentative and Alternative Communication	(3)
_____	SPED 2300 Intro. Learners with Severe Disabilities	(3)
_____	SPED 2301 Practicum: Learners w/ Severe Disabilities	(1)
_____	SPED 2330 Procedures Learners w/ Multiple Disabilities	(3)
_____	SPED 2331 Practicum: Learners w/ Multiple Disabilities	(1)
_____	SPED2340 Transition to Adult Life	(3)
_____	SPED2341 Practicum: Transition to Adult Life	(1)
_____	SPED 2350 Adv. Procedures Severe Disabilities	(3)

### Hearing Program [21 Hours]

_____	SPED 2600 Audiology in Education	(3)
_____	SPED 2601 Audiology Lab	(1)
_____	SPED 2610 Speech for Hearing Impaired Children	(3)
_____	SPED 2620 Language for the Hearing Impaired Child	(3)
_____	SPED 2621 Practicum: Language for the HI Child	(1)
_____	SPED 2630 Education Programs for HI Children	(3)
_____	SPED 2631 Practicum: Educ. Prog. For HI Children	(1)
_____	SPED 2640 Manual Communication	(3)
_____	SPED 2650 Advanced Manual Communication	(3)

### Modified Program [18 Hours]

_____	SPED 2800 Characteristics of High-Incidence Disabilities	(3)
_____	SPED 2810 Assessment Strat. For Stud. W/ Disabilities	(3)
_____	SPED 2811 Practicum: Assessment Strat.	(1)
_____	SPED 2820 Instructional Procedures Lang. Arts	(3)
_____	SPED 2821 Practicum: Inst. Procedures Lang. Arts	(1)
_____	SPED 2830 Instructional Procedures in Math	(3)
_____	SPED 2831 Practicum: Inst. Procedures in Math	(1)
_____	SPED 2860 Procedures Mgnt. & Collaboration with Fam.	(3)

### Vision Program [18 Hours]

_____	SPED 2500 Sen. Per. Anat. Phys. Hyg. of Eye	(3)
_____	SPED 2530 Braille Reading & Writing	(2)
_____	SPED 2510 Educ. Procedures for Students with VI	(3)
_____	SPED 2540 Comm Skills for Students With VI	(3)
_____	SPED 2550 Orient. & Mob for Teachers of VI: Simulat Act.	(3)
_____	SPED 2810 Assessment Strategies for Students w/ Dis	(3)
_____	SPED 2811 Practicum: Assessment Strategies	(1)

# Secondary Education

## **SECONDARY EDUCATION MAJOR**

(Offered by the Department of Teaching and Learning)

### **Secondary Endorsement (7 - 12)**

The major in secondary education is designed to prepare students to teach one or more subjects at the secondary school level (grades 7 – 12). Students must complete Liberal Education Core requirements, the Secondary Education Major, and an Arts & Science major in at least one endorsement field, which involves 27 – 36 hours of coursework in the discipline. Students may wish to add an additional endorsement. Students are required to complete the appropriate methods of teaching course for each area of endorsement. In addition to completing a content major and the content based course in the secondary education major, some licensure areas may have additional requirements as determined by State Licensure criteria.

Undergraduate students applying for admission into the teacher education program (Screening I) and into student teaching (Screening II) for secondary licensure must be approved by the faculty in the Department of Teaching and Learning **and** by the faculties of each Arts & Science department in which the student is seeking licensure. Students are instructed to consult an advisor or the Director of Undergraduate Studies in each Arts & Science department involved in order to be informed of departmental policy on approving students for teacher licensure.

Although degree and licensure requirements for the secondary education major are outlined in the *Undergraduate Catalog*, students find it useful to have these requirements organized in worksheet form so they may keep track of their progress. A general program of studies worksheet is provided in this section, and the Liberal Education Core and Professional Core requirements for the secondary education major are outlined on it. Specific licensure requirements for the various majors follow as one-page listings for each major appropriate for Secondary Education with licensure.

### **Added Endorsements**

#### Added Endorsements within the Social Sciences:

- Majors in economics, political science, psychology, and sociology who are seeking licensure in Secondary Education are required to have an added endorsement in history
- An individual who seeks primary endorsement in one social science area may add an endorsement in another social science area with the following requirements:
  - For an added endorsement in government, economics, sociology, or psychology you will need 9 hours in that content area.
  - For an added endorsement in history you will need 18 hours of history courses (6 hours of US history, 6 hours of European history, 3 hours of non US, Latin American, or European History, and 3 hours of history 200.

Licensure in Two Content Areas (example uses Mathematics and History):

- Methods course in each content area is required (e.g. MTED 2380 and SSED 2380)
- Practicum in each content area (e.g. MTED 2360 and SSED 2360) not to exceed 45 combined practicum hours.
- Student teaching is split between the two content areas – with one placement in Mathematics and the other in Social Studies
- Student Teaching Seminar will be split. While student teaching in Mathematics you will attend the Math Seminar (MTED 2292), while student teaching in Social Studies you will attend the Social Studies Seminar (SSED 2292)

Note: Vanderbilt students seeking Tennessee teacher licensure must apply for licensure through the Vanderbilt Office of Teacher Licensure and **must meet licensure requirements in effect at the time of their graduation** – which may be different from those in effect at the time they entered Vanderbilt. Requirements are currently undergoing change. Teacher licensure candidates are urged to consult the current Vanderbilt *Undergraduate Catalog* and/or materials published by the Vanderbilt Office of Teacher Licensure each year to keep abreast of possible changes in Tennessee requirements. Students should be aware that the requirements may change after publications of the Handbook and should be alert to notices or reminders sent from advisors or from the Office of Teacher Licensure.

## **Peabody College Secondary Education (SED) Major Degree Audit**

The on-line Peabody major degree audits are still in an experimental stage and should be used in conjunction with this Peabody Undergraduate Handbook. **Students are responsible for monitoring their own degree programs and satisfying all program and degree requirements listed in this handbook.**

### **Logging On:**

Go to the Vanderbilt Home page and click on students. Under Academic Resources click on *Access 2 Academic Information*. Enter your VUNET ID and your E-Password. You will then be given a choice of viewing your academic record or your degree audit.

### **Reading the Degree Audit on line:**

Open your degree audit and follow along with these instructions. (Audit categories may be expanded or collapsed by clicking on the + or - while viewing your audit)

#### **Plan: Bachelor of Science Degree**

This could print satisfied if you have at least a 2.0 GPA and 120 earned hours or greater. If the Audit Status under your name says "Not Satisfied", then all specific degree requirements have not been completed.

#### **Cumulative GPA**

A 2.0 cumulative GPA is required to graduate with a B.S. degree from Vanderbilt. Education majors must have a 2.5 cumulative Grade Point Average to be licensed to teach. **Required: 2.0 / Applied: \_\_\_\_\_**  
The current cumulative GPA will be in the above blank once you have graded courses.

#### **Total Hours**

**Required: 120.0 / Applied: \_\_\_\_\_ Total Hours**

Applied hours include both earned hours (transfer, AP/IB, Vanderbilt) and current registered hours. The total of these will appear in the above blank. Some majors or major combinations require more than 120 hours to complete. A minimum of 120 hours with all requirements completed is required to graduate

**Pending:** Courses listed below this heading are the courses that you are currently enrolled in or courses with incompletes or missing grades from previous semesters. If you already have 120 hours or above, the audit will not list the current courses in this position.

### **Minimum 60 Vanderbilt Hours required for Transfer Students**

This category is solely for students who have transferred to Vanderbilt University to be certain that they have the required minimum of sixty Vanderbilt hours to be awarded a Vanderbilt degree. Students who began their program as freshman at Vanderbilt may disregard this listing.

### **Plan: The Core is Part of Your 1st Major: This status does not apply**

Peabody Students should disregard this area. It will always be on the audit and say "Satisfied" but has **no** relevance to the Peabody major or Liberal Core audit.

### **Plan: Secondary Education**

#### **Major GPA**

**Required: 2.5 / Applied: \_\_\_\_\_**

Your current major GPA will be listed in the blank above. The courses with grades, hours and terms taken will be listed under this category.

### **Major Core Components and Requirement categories will be listed.**

Course that fulfill these areas will populate the audit as courses are completed and the notations "Not Satisfied", "Pending", or "Satisfied" will appear for each major requirement area.

**Liberal Education Core Requirements** are sub plans of the major and are listed after your Peabody first major requirements. The Liberal Education Core categories follow those listed in the Peabody handbook.

**The Natural Science Lab Science** category may seem confusing as the lab science list includes all the possible combinations that can fulfill the lab science requirement. All combinations other than the one taken will always print "not satisfied". If the main heading on any requirement prints "satisfied", then you have completed that requirements listed below. All Peabody students must have at least one science that has a laboratory component and an additional science course.

**The Other Science** category checks to make sure that the student has taken at least one other 3- or 4- hour science course. The student's lab science course will also be applied in this area in partial fulfillment of this category.

### **Minimum 60 Hours (With all Liberal Core Areas Satisfied)**

This category will list all the courses that make up the Liberal Education Core hour requirement depending on the student's major. It includes the required elective hours that are required in the major liberal education core. Students awarded the SAT II Mathematics course exemption must still take additional hours in the liberal core to make up for those credit hours that would have been attributed to an actual mathematics course.

## General Notes:

- ❑ The Peabody first major is not totally satisfied until the Liberal Education Core is also satisfied.
- ❑ The degree audit does not list every course that a student has taken. Only courses that fulfill listed audit categories appear. Courses not listed are calculated into the hours need for the 120 minimum and the grades are included in the Cumulative Grade Point Average.
- ❑ The Main Headings for a requirement will have a green dash (-) if satisfied, orange dash if pending, or a red dash if not satisfied. If the dash is green, click on it and the specific requirements that make up the main heading will disappear and you may continue reviewing your audit. The orange pending dash means that you must successfully complete the listed current course or remove an Incomplete to satisfy that requirement. The red dash means that you have not completed the designated course(s) to fulfill the requirement.
- ❑ All 2<sup>nd</sup> and 3<sup>rd</sup> majors and minors will also be listed on the degree audit after the Peabody Liberal Education Core. Secondary Education majors must have an approved (non-Peabody) second major that should be formally declared in the second semester of the sophomore year.
- ❑ Students who have questions concerning their **non-Peabody majors or minors** should contact the department and adviser of the non-Peabody majors or minors. Any substitutions for non-Peabody majors and minors are initiated by the student with that major/minor department who will in turn forward the variance (substitution) to their school Dean's Office for approval and entry into that particular major/minor audit. The Peabody Registrar's Office can only enter approved substitutions for Peabody majors or minors.
- ❑ Peabody has certain courses that may count for either Communications, Humanities, or other core area combinations. For example, ENGL 118W could be listed for Humanities even though you want that course to be applied under the Communications Area. If a case like this arises, students must email Jonnelle Rein ([j.rein@vanderbilt.edu](mailto:j.rein@vanderbilt.edu)) or Betty Lee ([betty.s.lee@vanderbilt.edu](mailto:betty.s.lee@vanderbilt.edu)) to have their audit manually adjusted.

## Printing the Degree Audit

Students may print the degree audit by clicking on "PRINT ALL" at the top right-hand part of the audit screen. (Clicking on "PRINT CORE" will not produce anything for Peabody Students.) The printed audit will be from 3 to 5 pages depending on the number of majors and minors that you have declared and the number of courses completed.

## How to Most Effectively Use the Degree Audit

13. Students should print their audit prior to every appointment with their adviser.
14. Highlight the highest level requirement areas on the audit that print "Not Satisfied"
15. Look up the courses that may be used to fulfill an area that is not satisfied in this handbook.
16. Take the highlighted audit to the advising appointment with a plan and course selections for completing "not satisfied" areas.
17. When students register for an up-coming semester, they can check their degree audit the next day to confirm that their course selections are being counted in the intended "not satisfied" area(s) on the degree audit.
18. Report any discrepancies regarding Peabody majors/minors or liberal core requirements on the audit to Jonnelle Rein ([j.rein@vanderbilt](mailto:j.rein@vanderbilt)) or Betty Lee ([betty.s.lee@vanderbilt.edu](mailto:betty.s.lee@vanderbilt.edu)) in the Peabody Registrar's Office.

## Running a Special Audit

Students who are thinking about changing their school, first major or adding a second/third major may use the special audit feature to see how their coursework would fall into those new major/minor requirements. **This does not replace the procedures for formally declaring majors and minors.**

### Procedures:

15. Click on the special audit selection
16. Enter the **name** of the major or minor you are wishing to audit.  
Example: Spanish
17. Click on the search button
18. Make your selection from the choices you are given by clicking the green check mark
19. If you are a Peabody student who is thinking about transferring to A&S, you would put AXLE in the box to see where your courses would fall if you were to transfer Schools. You would then separately audit the proposed major that you would declare as an A&S student.
20. The result will be what your audit would look like if you formally made that major/minor declaration
21. To formally declare a second major/minor in another school, you must go to that major's department and secure the major/minor declaration form, have an adviser assigned and return the form to the Peabody Registrar's Office. To change or add Peabody Majors/Minors, pick up the form in the Peabody Registrar's Office in 216 Administration Building.

**Liberal Education Core Requirements  
For Secondary Education Major  
(Minimum 60 Credit Hours)  
2007-2008**

**Communications (7 hours) to include:**

**One “W” course is required (3 hours):**

**Communications Studies:** All CMST courses count (except CMST 280ABC and up)

**Education:** EDUC 2530

**English:** ENGL 102W, 104W, 105W, 106W, 112W, 115F, 116W, 117W, 118W, 120W

**Humanities:** HUM 105W, 106W, 107W, 108W, 115F

**Theatre:** THTR 100, 115F

**Plus (1 hour):**

**Education:** EDUC 2040

**Humanities (9 hours from at least two subject areas) to include:**

**Three courses from the following:**

**African American and Diaspora Studies:** AADS 260

**Arabic:** ARA 210B

**Art Studio:** ARTS 101 and up (except ARTS 288 and up)

**Chinese:** CHIN 202

**Classical Studies:** CLAS 115F, 130, 146, 150, 203, 204, 205, 206, 216, 217, 224

**Comparative Literature:** CLT 202, 203, 215, 224, 240, 278, 285, 286, 287

**English (the same course may not count for both Communications and Humanities):** ENGL 102W, 104W, 105W, 106W, 112W, 115F, 116W, 117W, 118W, 208A and up (except ENGL 269, 288 & up)

**Film Studies:** FILM 125, 133

**French:** FREN 102 and up (except FREN 287A and up)

**German:** GER 102 and up (except GER 289A and up)

**Greek:** GRK 202 and up (except GRK 289)

**Hebrew:** HEBR 111B and up (except HEBR 289A and up)

**History of Art:** HART 110 and up (except AHST 288 and up)

**Humanities:** HUM 105W, 106W, 107W, 108W, 140, 141, 150, 151, 156, 175

**Italian:** ITA 101B and up (except ITA 289 and 294)

**Japanese:** JAPN 202 and up (except JAPN 289AB)

**Jewish Studies:** JS 135

**Latin:** LAT 102 and up (except LAT 289)

**Music Composition:** MUSC 100 and up (except MUSC 294 and up)

**Music Literature:** MUSL 103 and up (except MUSL 147, 160, 170, 171, 289 and up)

**Philosophy:** PHIL 100 and up (except PHIL 289AB and 294)

**Portuguese:** PORT 102 and up (except PORT 289 and 294)

**Religious Studies:** RLST 100 and up (except RLST 280 and up)

**Russian:** RUSS 102 and up (except RUSS 171, 172, 289A and up)

**Spanish:** SPAN 102 and up (except SPAN 280, 289, 294 and up)

**Theatre:** THTR 100, 170, 201, 202, 203, 204, 232, 271

**Women’s and Gender Studies:** WGS 150, 239, 271

## **Mathematics (2 courses – 6 hours):**

**Mathematics:** MATH 127A, 127B, 140, 150A, 150B, 155A, 155B, PSY 2101

SAT-II Math Test Score Level I of 620 and up or Level II of 570 and up will exempt a student from 3 of the 6 required hours. Academic credit is not awarded for SAT II scores. Students with SATII Math exemption are required take three additional elective Liberal Core hours.

## **Natural Science (7 hours):**

### **One lab science (4 or 5 hours) from:**

**Astronomy:** ASTR 102 & 103, 175 & 103

**Biological Science:** BSCI 100, 110A & 111A, 110B & 111B, 218, 219

**Chemistry:** CHEM 101A & 100A, 101B & 100B, 102A & 104A, 102B & 104B

**Earth and Environmental Sciences:** EES 101 & 111, 102, 103 & 113, 225

**Nursing:** NURS 150, 210A, 210B

**Physics:** PHYS 105 & 106, 110 & 111, 117A & 119A, 117B & 119B, 121A, 121B

### **And one of the following 3 hours:**

**Astronomy:** ASTR 102, 130, 175

**Biological Science:** BSCI 105, 110A, 110B **BSCI 105 is recommended**

**Chemistry:** CHEM 101A

**Earth and Environmental Sciences:** EES 100, 101, 103, 106, 108, 150

**Nursing:** NURS 231A and NURS 231B or NURS 231C

**Physics:** PHYS 105, 110

**Psychology:** PSY 201

**Or two lab science courses (8-10 hours) will meet the Natural Science requirement**

## **Cultural Studies (3 hours) one course from the following:**

**African American and Diaspora Studies:** AADS 101, 110, 120, 155, 200, 201, 210, 215, 221, 230, 260

**American Studies:** AMER 100, 101, 104

**Anthropology:** ANTH 101, 103, 106, 206, 207, 210, 214, 220, 222, 223, 226, 228, 232, 233, 234, 237, 243, 246, 247, 248, 249, 251, 253, 259, 260, 262, 263, 264, 265, 266, 267

**Chinese:** CHIN 251, 252

**Classical Studies:** CLAS 130, 146, 150, 160, 171, 203, 204, 205, 206, 211, 217, 220, 222, 224, 236, 238

**Communication Studies:** CMST 223, 224, 228, 235, 240, 242

**Comparative Literature:** CLT 237, 240, 278, 285, 286, 287

**Economics:** ECON 224, 267, 288

**East Asian Studies:** EAS 211, 240

**Education:** EDUC 2060

**Earth and Environmental Sciences:** EES 205

**English:** ENGL 118W, 246, 260, 263, 267, 268A, 268B, 271, 275, 276, 277, 279G, 282

**European Studies:** EUS 201

**Film Studies:** FILM 133, 235

**French:** FREN 207, 208, 209, 215, 218, 232, 234, 239, 251, 255, 258, 261, 269, 270

## **Cultural Studies continued:**

**German:** GER 172, 201, 216, 221, 222, 235, 237, 241, 270, 271, 273, 274, 275  
**Greek:** GRK 212  
**History:** HIST 140, 152, 154, 155, 156, 157, 160, 161, 168, 169, 172, 180, 181, 182, 187, 201, 202, 204, 205, 206, 207, 208, 210, 211, 212, 213, 221, 222, 233, 234, 235, 237, 238, 239, 240, 242, 243, 245, 246, 247, 248, 249, 250 – 260, 261, 262, 263, 264, 266, 267, 268, 269, 270, 271, 273, 276-280, 286, 287  
**History of Art:** HART 120, 130, 222, 223, 234, 238, 239, 241, 242, 245, 251, 252, 253, 254, 255, 256, 257  
**Human and Organizational Development:** HOD 2240, 2400, 2410, 2420, 2430, 2460, 2660  
**Humanities:** HUM 107W, 156  
**Italian:** ITA 230  
**Jewish Studies:** JS 120, 121, 135, 155, 156, 245, 250, 251, 252, 254, 255  
**Latin:** LAT 206, 215  
**Latin American Studies:** LAS 201, 235, 260  
**Medicine, Health and Society:** MHS 201  
**Music Literature:** MUSL 103, 160, 170, 171, 200, 201, 250, 252, 261, 262  
**Philosophy:** PHIL 103, 211, 235, 238, 252, 258, 261, 262, 263  
**Political Science:** PSCI 101, 102, 204, 205, 206, 208, 212, 213, 214, 215, 216, 217, 218, 219, 228, 230, 247, 263  
**Portuguese:** PORT 225  
**Psychology:** A&S – PSY 217, 240, 243, 266, 276; *Peabody* – PSY 2230  
**Religious Studies:** RLST 107, 110W, 112, 113, 114, 130, 131, 132, 133, 145, 150, 204, 205, 206, 219, 220, 222, 223, 226, 228, 229, 230, 231, 232, 233, 241, 244, 249, 251, 254  
**Russian:** RUSS 171, 172, 231, 232, 234  
**Sociology:** SOC 101, 102, 103, 104, 203, 215, 218, 224, 226, 227, 228, 229, 230, 234, 237, 239, 242, 244, 246, 248, 249, 250, 251, 254, 255, 256, 257, 258, 260, 261, 267, 268, 269, 272, 275, 276, 277, 278, 279, 291  
**Spanish:** SPAN 202, 204, 208, 221, 223, 226, 231, 235, 243, 244, 276  
**Special Education:** SPED 2060  
**Theatre:** THTR 216  
**Women's and Gender Studies:** WGS 150, 201, 210, 212, 226, 239, 240, 243, 244, 245, 261, 264, 265, 267, 268, 269, 270, 271, 272

## **Social Science (6 hours) to include:**

### **United States History (3 hours) from the following:**

HIST 170, 171, 172, 173, 176, 177, 271, 272, 274, 275, 276, 277, 278, 279, 280

### **Required Social Science course (3 hours):**

**Psychology:** PSY 2320

## **Liberal Core Elective (22 hours):**

Any non-education course listed to satisfy any area of the Liberal Education Core that is not already being used to fulfill a core area.

**Note:** Special topics courses and independent study courses are not acceptable to meet liberal education core requirements. Courses chosen to fulfill an area of the Liberal Education Core can only be used to satisfy that one requirement. You may not use the same course for two requirement areas. **Exception:** Courses used to fulfill the Writing requirement or second major may also be used to satisfy the appropriate area of the Liberal Education Core.

## English 100 requirement:

English 100 is required unless students have satisfied one of the following:

1. SAT I Critical Reading and writing combined test score of 1220 or above with a minimum test score of 500 in each component
2. ACT English test score of 27 or above **and** an ACT writing test score of 7 or above
3. AP/IB English test scores of 4 and 6 respectively

English 100 counts as elective credit only for the hours required for the B.S. degree. Academic credit is not awarded for SAT or ACT test scores.

## Writing Requirement:

All first year students must successfully complete one writing intensive course at the 100 level before their fourth semester. In addition, before graduation, all students must successfully complete a second writing course at the 100 or 200 level. Writing intensive courses have a **W** after the course number.

Secondary Education students may substitute CMST 100, 101, or Theatre 100 for one of the Writing courses to facilitate meeting the licensure requirement.

**Note:** First Year Seminars (courses labeled 115F) offered through the College of Arts and Science and Blair School of Music may count as writing intensive courses. Peabody freshmen may only register for First Year Seminars during the first week of the fall and spring semesters if the courses are open.

**Secondary Education (7 - 12)

**COMMUNICATIONS [ 7 HOURS]**

- \_\_\_\_\_ Eng/Hum "W" Course (3) (May also count in the writing requirement)
- \_\_\_\_\_ EDUC 2530 Teaching Linguistically Diverse Students
- \_\_\_\_\_ EDUC 2040 Introduction to Classroom Technologies (1)

**CULTURAL STUDIES [3 HOURS]**

- \_\_\_\_\_ Cultural Studies Course (3)

**HUMANITIES - Two Subject Areas - 3 Courses [9 HOURS minimum]**

- \_\_\_\_\_ Humanities selection course 1
- \_\_\_\_\_ Humanities selection course 2
- \_\_\_\_\_ Humanities selection course 3

**MATHEMATICS [6 HOURS]**

- \_\_\_\_\_ Math/Statistics Course (3)
- \_\_\_\_\_ Math (3-4) or SAT Test Score Exemption

**NATURAL SCIENCES [7 Hours - 1 lab science required]**

- \_\_\_\_\_ Natural Science (4)
- \_\_\_\_\_ Natural Science (3-4)

**SOCIAL SCIENCE [6 HOURS]**

- \_\_\_\_\_ American History (3)
- \_\_\_\_\_ PSY 2320 Adolescent Psychology

**ELECTIVES [22 HOURS] Any Non-Education Courses**

## Secondary Education Major Checklist [36 hours]

### Foundation Courses [12 hours]

_____	EDUC 1020 Society, the School, and the Teacher	(3)
_____	EDUC 2530 Teaching Linguistically Diverse Students	(3)
_____	EDUC 2920 Social & Philosophical Aspects of Education	(3)
_____	SPED 1010 Introduction to Exceptionality	(3)

### Pedagogical Courses [9-12 hours]

_____	EDUC 2310 Teaching in Secondary Schools	(3)
_____	ENED/MTED/ SCED/SSED 2320 Content Literacy	(3)
_____	ENED/MTED/SCED/SSED 2370	(3)
_____	ENED 2380 Seminar English Educ. <b>(English 2<sup>nd</sup> majors only)</b>	(3)

### Field Experiences [15 hours]

_____	EDUC 2340 Practicum in Secondary Education I	(1)
_____	EDUC 2350 Practicum in Secondary Education II	(1)
_____	ENED/MTED/SCED/SSED 2360 Practicum SED III	(1)
_____	ENED/MTED/SCED/SSED 2292 Professional Seminar	(3)
_____	EDUC 2703 Student Teaching in the Secondary School	(9)

### Required Second Major in \_\_\_\_\_

_____	( )	_____	( )
_____	( )	_____	( )
_____	( )	_____	( )
_____	( )	_____	( )
_____	( )	_____	( )
_____	( )	_____	( )
_____	( )	_____	( )
_____	( )	_____	( )

**Note:** Many second major courses may also count in the Liberal Education core. Students must consult their Arts and Science second major adviser and degree audit regarding completion of the second major requirements. Also refer to the Additional Licensure Requirements on the following pages.

**The Liberal Education Core, Secondary Education Major, and Second Major must total a minimum of 120 hours for graduation with the Bachelor of Science degree.**

# **Educational Studies**

## REQUIREMENTS FOR EDUCATIONAL STUDIES MAJOR

A student wishing to graduate with this major must apply through the Office of Administration and Records, and at the time of application must submit a program of studies. The application and the program must be approved by the advisor, the department, and the Dean's office. This major DOES NOT lead to initial licensure.

### GUIDELINES FOR PROGRAM OF STUDIES FOR EDUCATIONAL STUDIES

#### **38 Hours                      Liberal Education Core**

Communications (7 hours)  
Cultural Studies (3 hours)  
Humanities (9 hours)  
Mathematics (6 hours)  
Natural Science (7 hours)  
Social Science (6 hours)

#### **10-28 Hours                  Electives**

#### **9 Hours                        Major Core**

EDUC 1020 (3 hours)  
SPED 1010 (3 hours)  
Psychology – Child or Adolescent development (3 hours)

#### **18-23 Hours                  Area of Specialization**

Areas of specialization are outlined below

#### **27-36 Hours                  Second Major**

#### **TOTAL 120 Hours Graduation Requirement**

---

Areas of specialization within Educational Studies Major:

#### Early Childhood Specialization (21 hours)

EDUC 2115 Literacy Development in Young Children  
EDUC 2116 ECE Practicum: Language and Literacy  
EDUC 2117 Methods in Language Development and Beginning Reading  
EDUC 2150 Science, Social Studies Inst. in the Early Grades  
MTED 2150 Mathematics Instruction in the Early Grades  
EDUC 2151 ECE Practicum: Math, Science, Social Studies  
HMED 2150 Introduction to Arts Education

*Plus two of:*

EDUC 2120 Parents and their Developing Children  
EDUC 2130 Curriculum Programming: Birth – Age 3  
EDUC 2140 Curriculum Programming: Age 3 - Kindergarten

Elementary Specialization (23 hours)

- EDUC 2215 Reading in Elementary Schools
- EDUC 2217 Language Arts in Elementary Schools
- EDUC 2430 Addressing Problems in Literacy Learning
- MTED 2250 Teaching Mathematics in Elementary Schools
- SSED 2210 Teaching Social Studies in Elementary Schools
- SCED 2250 Teaching Science in Elementary Schools
- HMED 2250 Introduction to Arts Education
- EDUC 2210 ELE Practicum: Social Studies
- EDUC 2216 ELE Practicum: Language and Literacy
- EDUC 2250 ELE Practicum: Mathematics and Science
- PSY 2310 Educational Psychology

Secondary Specialization (21 hours)

- EDUC 2310 Teaching in Secondary Schools
  - EDUC 2530 Foundations for Teaching Linguistically Diverse Students
  - EDUC 2920 Foundations of Education
  - ENED/FLED/SCED/MTED/SSED 2320
  - FLED/SCED/MTED/SSED 2370 or ENED 2380 Teaching Methods
  - EDUC 2340 Practicum in Secondary Education I
  - EDUC 2350 Practicum in Secondary Education II
  - ENED/FLED/SCED/MTED/SSED 2360 Practicum in Secondary Education III
- Plus 3 hours of electives*

Special Education: (18 – 22 hours)

*All students are required to take the following 10 hours:*

- SPED 2010 Introduction to Instructional Models
- SPED 2020 Family Intervention
- SPED 2110 Managing Academic and Social Behavior
- SPED 2111 Practicum: Managing Academic and Social Behavior

*Students will select 8-12 hours in one of the following areas:*

High Incidence

- SPED 2820 Instructional Procedures Students w/ Mild/Moderate Disabilities
- SPED 2821 Practicum: Students w/ Mild/Moderate Disabilities
- SPED 2830 Advanced Instructional Procedures Mild/Moderate Disabilities
- SPED 2831 Practicum for SPED 2830

Comprehensive

- SPED 2300 Procedures – Severe Disabilities
- SPED 2301 Practicum for SPED 2300
- SPED 2330 Instructional Procedures – Multi-Handicapped
- SPED 2331 Practicum for SPED 2330
- SPED 2340 Transition to Adult Life
- SPED 2341 Practicum for SPED 2340

### Vision

- SPED 2530 Braille
- SPED 2510 Educational Procedures
- SPED 2500 Anatomy of the eye
- SPED 2550 Orientation and Mobility

### Hearing

- SPED 2600 Audiology
- SPED 2601 Practicum for SPED 2600
- SPED 2610 Speech
- SPED 2640 Manual Communication

# **Interdisciplinary Majors**

## **INTERDISCIPLINARY MAJORS SPONSERED BY THE DEPARTMENT OF TEACHING AND LEARNING**

The Department of Teaching and Learning sponsors a variety of interdisciplinary majors that are best suited for those students majoring in Elementary Education. However, these majors are available to any Peabody College student as a second major.

Specifically, the following interdisciplinary majors are available:

- Language and Literacy Studies
- Mathematics and Science Studies
- Natural Science Studies
- Social Studies focused on Anthropology
- Social Studies focused on Economics
- Social Studies focused on United States History
- Social Studies focused on European History
- Social Studies focused on American Politics
- Social Studies focused on World Politics
- Social Studies focused on Sociology

Program of study sheets for each of these interdisciplinary majors are included in this section. For more information, contact Professor Amy Palmeri, Director of Undergraduate Studies in the Department of Teaching and Learning.

REQUIREMENTS FOR **LANGUAGE AND LITERACY STUDIES**  
 INTERDISCIPLINARY MAJOR

PS/06

**Required (27 Hours)**

CMST	100	(3) _____	Fundamentals of Public Speaking
CMST	101	(3) _____	Interpersonal Communication
CMST	230	(3) _____	Theory of Communication
ENGL	102W		Forms and Techniques
or ENGL	106W	(3) _____	Introduction to Literary Criticism
ENGL	112W		Introduction to Poetry
or ENGL	120W	(3) _____	Intermediate Composition
ENGL	200+	(3) _____	
ENED	2200	(3) _____	Exploring Literature for Children
ENED	2280	(3) _____	Lang. Study in the ELE & SED Classroom
SPED	2030		Introduction to Language and Communication
or PSY	2000	(3) _____	Language and Representational Systems

**Three of the Following (9 Hours):**

ANTH	201	(3) _____	Introduction to Linguistics
CMST	210	(3) _____	Rhetoric of Civic Life
CMST	220	(3) _____	Rhetoric of American Exp.: 1640 – Present
CMST	221	(3) _____	Rhetoric of American Exp.: 1865 – Present
CMST	223	(3) _____	Values in Modern Communication
ENED	2920	(3) _____	Literature for Adolescents
ENGL	240	(3) _____	The History of the English Language
HUM	106W	(3) _____	Ideological Discourse: Fiction vs. Non-Fiction
PHIL	102	(3) _____	General Logic
PSCI	242	(3) _____	Political Communication
PSY	242	(3) _____	Psychology of Language
THTR	100	(3) _____	Fundamentals of Theatre

**TOTAL HOURS: 36**

REQUIREMENTS FOR **MATHEMATICS AND SCIENCE STUDIES**  
 INTERDISCIPLINARY MAJOR

PS/06

**8 hours from**

CHEM	101a	(4) _____	Introductory Chemistry
CHEM	101b	(4) _____	Introductory Chemistry
PHYS	105	(3) _____	Conceptual Physics
and PHYS	106	(1) _____	Conceptual Physics Lab

**Biological Sciences:**

BSCI	100	(4) _____	Biology Today
------	-----	-----------	---------------

**One of the Following:**

GEOL	100	(3) _____	Environmental Geology
GEOL	101/111	(4) _____	The Dynamic Earth
GEOL	102	(4) _____	Geological History of the Earth
GEOL	103/113	(4) _____	Oceanography
GEOL	106	(3) _____	Marine and Coastal Environments
GEOL	108	(3) _____	Earth and the Atmosphere
ASTR	101/102	(4) _____	Introductory Astronomy: Stars & Galaxies

**One of the following:**

HIST	202	(3) _____	Science & Society after the Enlightenment
HIST	204	(3) _____	History of Medicine
ASTR	130	(3) _____	Astronomy through the Ages
PHIL	244	(3) _____	Philosophy and the Natural Sciences
SCED	2200	(3) _____	Science for Elementary Teachers

**8-9 Hours of Calculus from:**

MATH	150a	(3) _____	First-Year Calculus
MATH	150b	(3) _____	First-Year Calculus
MATH	170a	(3) _____	Second-Year Calculus
<b>OR</b>			
MATH	155a	(4) _____	First-Year Accelerated Calculus
MATH	155b	(4) _____	First-Year Accelerated Calculus

**Six Hours from Two of the Following Areas:**

Probability and Statistics (Math 180, 214, 215, 218, or PSY 2101)

Geometry (MATH 210 or 240)

Algebra (MATH 194, 223, or 204)

_____	(3) _____	_____
_____	(3) _____	_____

**3 Additional hours from any 200 level course in Mathematics**

_____	(3) _____	_____
-------	-----------	-------

**TOTAL HOURS = 35-37 HOURS**

REQUIREMENTS FOR **NATURAL SCIENCE STUDIES**  
 INTERDISCIPLINARY MAJOR

PS/06

**Chemistry (8 hours)**

CHEM	101a,b	(4) _____	(4) _____	Introductory Chemistry
or CHEM	102/104a	(3) _____	(1) _____	General Chemistry w/ Lab
and CHEM	102/104b	(3) _____	(1) _____	General Chemistry w/ Lab

**Physics (4 hours)**

PHYS	105	(3) _____	Conceptual Physics
PHYS	106	(1) _____	Conceptual Physics Lab

**Biological Sciences (8 Hours)**

BSCI	110a	(3) _____	Introduction to Biological Sciences
BSCI	111a	(1) _____	Introduction to Biological Sciences Lab
BSCI	219	(4) _____	Introduction to Zoology
or BSCI	218	(4) _____	Introduction to Botany

**One of the Following:**

GEOL	100	(3) _____	Environmental Geology
GEOL	101/111	(4) _____	The Dynamic Earth
GEOL	102	(4) _____	Geological History of the Earth
GEOL	103/113	(4) _____	Oceanography
GEOL	106	(3) _____	Marine and Coastal Environments
GEOL	108	(3) _____	Earth and the Atmosphere
ASTR	101/102	(4) _____	Introductory Astronomy: Stars & Galaxies

**One of the following:**

HIST	202	(3) _____	Science & Society after the Enlightenment
HIST	204	(3) _____	History of Medicine
ASTR	130	(3) _____	Astronomy through the Ages
PHIL	244	(3) _____	Philosophy and the Natural Sciences
SCED	2200	(3) _____	Science for Elementary Teachers

**Plus three additional courses in Chemistry, Physics, Biological Science, Geology, Astronomy, or History and Natural Science.**

_____	(3) _____	_____
_____	(3) _____	_____
_____	(3) _____	_____

**TOTAL HOURS = 35-36 HOURS**

REQUIREMENTS FOR **SOCIAL STUDIES INTERDISCIPLINARY MAJOR**  
 FOCUSED ON **ANTHROPOLOGY** PS/06

**Required (18 Hours)**

ANTH	101	(3) _____	Introduction to Anthropology
ANTH	103	(3) _____	Origins and Evaluation of Human Culture
ANTH	104	(3) _____	The Rise and Fall of Civilization
One Comparative Anthropology and Anthropological Theory Course			
ANTH	_____	(3) _____	_____
One Archeology and Physical Anthropology Theory Course			
ANTH	_____	(3) _____	_____
One Ethnography, Ethnohistory, and Linguistic Course			
ANTH	_____	(3) _____	_____

**18 Hours of Additional Coursework drawn from at least 3 of the following areas:  
 Economics, History, Political Science, Psychology, and Sociology**

_____	(3) _____	_____
_____	(3) _____	_____
_____	(3) _____	_____
_____	(3) _____	_____
_____	(3) _____	_____
_____	(3) _____	_____

## PEABODY MINORS

A minor is a program with recognized area of knowledge offering students more than a casual introduction to the area but less than a major. Although the completion of a minor is not a degree requirement, students may elect to complete the courses specified for one or more minors. A student who completes all designated courses in a minor with a grade point average of at least 2.0 will have the minor entered on the academic transcript at the time of graduation.

Minors may be combined with any departmental major or interdisciplinary major. Each minor must, however, include at least fifteen credit hours that are not being counted toward any major. Courses being taken to fulfill a minor may not be taken on a Pass/Fail basis.

Students wishing to declare a Peabody minor must obtain a "Minor Declaration" form available in the Office of Records and Registration or the Departmental Offices. An adviser will not be assigned for minors, and it will not appear on the transcript until the time of graduation. It is the student's responsibility to know and satisfy all the requirements for minors which he/she intends to complete. Minors will be checked during graduation check-out.

Students wishing to declare a minor in the College of Arts and Science must obtain a "Minor Declaration" form from the appropriate department in the College of Arts and Science where the student will be acknowledged as having a minor. This form must be submitted to the Peabody Office of Records and Registration for processing. A list of Arts and Science minors available to Peabody students are in the *Undergraduate Catalog*.

### Note:

Minors, either Peabody or Arts and Science, are in addition to the Peabody major. Courses in the student's minor must be completed with a cumulative grade point average of 2.000 or better and all courses must be completed on a graded basis.

The following Peabody minors are offered:

- Child Development
- Cognitive Studies
- Educational Studies
- Human and Organizational Development
- Reading/Literacy Education
- Teaching Linguistically Diverse Students
- Special Education

## CHILD DEVELOPMENT

The minor in Child Development consists of 18 hours in the following courses:

### Required Courses:

PSY 1630	Developmental Psychology	3
