Peabody College Pass/Fail Policy:
Students may elect to take courses in which they can receive the grade P (Pass). This grade is entered for the student enrolled under the P/F option who is awarded a grade of D- or higher. The grade P is neither counted in the grade point average nor used in the determination of honors. A failing grade will appear on the student record as F and will be counted in the student’s grade point average. The following regulations apply to pass/fail:

1. Students must have completed two full semesters at Vanderbilt before being eligible to take a course pass/fail.
2. Students must be in good academic standing.
3. Students may elect to take no more than one course per semester pass/fail.*
4. Students must maintain registration for at least twelve hours in addition to the course they are taking or planning to take on a pass/fail basis or the pass/fail notation is removed.
5. Students may elect to take no more than three (3) courses pass/fail during their undergraduate career.*
6. No more than one course from any liberal core area may be taken pass/fail.
7. For students with a single, double major/minor, or interdisciplinary plan, courses in the department(s) of the major(s)/minor(s)/interdisciplinary plan or other courses counted toward the major(s)/minor(s) may not be taken pass/fail.
8. Liberal Education Core Courses that have been specifically identified by the student’s primary major as needing to be taken on a graded basis may not be taken pass/fail. By program, these courses are:

   Human and Organizational Development: Courses taken to satisfy the 3-hour Liberal Core Economic requirement (i.e., Econ 100, 101, HOD 2260);
   Child Development, Child Studies, and Cognitive Studies: Courses taken to satisfy the 3-hour Liberal Core Statistics requirement (i.e., Econ 150, Psy-PC 2101, Psy 209).
Special Education:  Psy-PC 1630, Psy-PC 2310, EDUC 1020, SPED 1010, SPED 2020, SPED 2030, SPED 2060, SPED 2840.

Early Childhood Education:  ENED 2030, EDUC 2550, ENED 2100, MTED 2100,PSY-PC 1630, SSED 2100.

Secondary Education:  PSY-PC 2320.

9. Pass/fail must be declared on the registration program. Requests to change a course to pass/fail after the last day to add a course will not be approved.

10. Students enrolled in a course pass/fail may elect to change back to a graded status by the published deadline (approximately week eight of the semester).

11. When a student wishes to complete a major or minor in a field in which a grade of P has been received, the registrar converts this grade to the regular grade originally earned.

*NOTE: Courses that are only offered on a p/f basis by the University (e.g., certain field-experience courses) are not counted against the number of courses that a student may voluntarily elect to take on a pass/fail basis, either within or across semesters.

Seniors who have met all other criteria may declare a course pass/fail with fewer than twelve additional hours. This must take place senior year during the fall or spring in which they are not completing student teaching or the HOD Internship. This applies to only one semester of the student’s senior year. Registration for pass/fail with fewer than twelve hours must be processed through the Peabody Office of Records and Registration.

Seniors with fewer then twelve graded hours are not eligible for the Dean’s List.

I meet the above policy conditions & request to take _________________ in a pass/fail status.
