American Education Finance Association, Association of American Publishers,
Cambridge University Examination Syndicate, Education Testing Service, American
Association of School Administrators, American Federation of Teachers, Fulbright and
Muskie Fellowship Boards

Chairman: Committee on International Relations, American Education Research Association

President: Comparative and International Education Society, 1992-93

Associate
Editor Encyclopedia of Education, (2000 – 2002)

CURRENT MEMBERSHIPS:

- Comparative and International Education Society
- Association for the Study of Higher Education
- American Education Research Association

PROFESSIONAL EXPERIENCE:

Policy Analyst: Social Research Group, George Washington University, 1974-77

Sociologist: Education Department, World Bank, 1977-84

Faculty: University of Maryland, American University, 1989-90
American University, 1990-91, 1998-98

Division Chief: Economic Development Institute (EDI), World Bank, 1984-90

Division Chief: Human Resources, Europe and Central Asia/Middle East and North Africa
Regions, World Bank, 1990-97

Lead Educator: Human Development Department, Europe and Central Asia Region, World Bank, July 1997-
August 1998

Vice President, International

Operations: International Management and Development Group, Alexandria, Virginia, September 1998-June,
2000

Full Professor: International Education Policy, Peabody Graduate School of Education and Human Development,
Vanderbilt University, Nashville, Tennessee, July, 2000 – present.

CURRENT PROFESSIONAL RESPONSIBILITIES:

- Identify and train graduate students
- Forge partnerships with institutions of higher education around the world
- Provide education policy advice and analytic services to governments, professional associations, philanthropic foundations, schools, universities, and private educational businesses
- Analyze and develop new areas of education policy research

VANDERBILT UNIVERSITY DEGREE PROGRAM COORDINATOR:

- A.B. Human and Organizational Development, International Track
- M.A. International Education Policy
- PhD International Education Policy

PROFESSIONAL INTERESTS:

- Contribution of education to social cohesion and social stability
- Education and corruption
- Economic and trade issues associated with educational commerce
- Higher education finance and management
- Examinations and standardized testing
- International differences in the effect of SES on academic achievement
- Education finance and education quality
- Economic choices of education technology
- Islam and social policy

CURRENT COURSES TAUGHT

- International Innovations in Higher Education Policy Reform
- International Innovations in Elementary and Secondary Education Policy Reform
- Education and Economic Development (co-listed in Economics and Education Faculties)
- International Organizations and Economic Development
- Organizations and Social Cohesion
- International Issues in Education Policy (EdD and PhD only)

COUNTRIES OF EXPERIENCE:
