In 2017, 16 students earned master’s degrees in the Clinical Mental Health Counseling Program and 15 students earned master’s degrees in the School Counseling Program.

Completion Rate
Of the 19 students admitted to the CMHC Program, 16 students (84.2%) completed the degree in Human Development Counseling in 2017. Three students (15.8%) completed the degree in Human Development Studies. Of the 16 students admitted to the School Program, 15 students (93.7%) completed the degree in the Human Development Counseling School Counseling Program and 1 student (6.3%) completed the degree in Human Development Studies in 2017.

National Counselor Exam and Praxis
Because the HDC program is accredited by CACREP, students are eligible to take the National Counselor Exam the semester before graduation. The NCE is not a program requirement but the majority of students in both tracks sit for this exam before graduation. Of the 14 CMHC students and 14 SC students who took the NCE exam in 2017, 100% passed the exam. School Counseling students are required to take the Praxis exam as part of the requirements for licensure as a School Counselor. Pass rate for this exam was 100%.

Job Placement Rate
Of students pursuing full time employment after graduation, 100% (12/12) School Counseling Program 2016 graduates obtained jobs in counseling within 6 months of graduation. Of the 21 CMHC students who graduated in 2016, 17 obtained full time employment in Clinical Mental Health Counseling (81%), 2 are pursuing advanced graduate training (9.5%) and 2 (9.5%) are not currently pursuing employment in the field. Data for 2017 graduates is currently being collected.

Program Enrollment 2017-2018
There are 61 students enrolled in the Clinical Mental Health Counseling program and 23 students enrolled in the School Counseling program.

Average Class Size
Class sizes range from 5 to 7 students in Practicum and Internship seminars. Core classes including both program tracks may average 30-33 students per class with the average size of program area classes consistent with track size, approximately 14-23 students per class.
