

HDC Program Outcomes Report Fall 2016

Clinical Mental Health Counseling and School Counseling

In 2016, 21 students earned master's degrees in the Clinical Mental Health Counseling Program and 12 students earned master's degrees in the School Counseling Program.

Completion Rate

Of the 26 students admitted to the CMHC Program, 21 students (81%) completed the degree in Human Development Counseling in 2016. Three students (11.5%) completed the degree in Human Development Studies. Two students (7.5%) transferred to other related degree programs on campus. Of the 12 students admitted to the School Program, 12 students (100%) completed the degree in the Human Development Counseling School Counseling Program in 2016.

National Counselor Exam and Praxis

Because the HDC program is accredited by CACREP, students are eligible to take the National Counselor Exam the semester before graduation. The NCE is not a program requirement but the majority of students in both tracks sit for this exam before graduation. Of the 19 CMHC students and 12 SC students who took the NCE exam in 2016, 100% passed the exam. School Counseling students are required to take the Praxis exam as part of the requirements for licensure as a School Counselor. Pass rate for this exam was 100%.

Job Placement Rate

Of students pursuing full time employment after graduation, 100% of School Counseling Program 2015 graduates obtained jobs in counseling within 6 months of graduation. Of students pursuing full time employment in Clinical Mental Health Counseling, 93% of graduates obtained jobs in counseling within 6 months of graduation. Data for 2016 graduates is currently being collected.
