WE BELIEVE Vanderbilt’s Peabody graduates make a profound difference in the lives of their students, their clients, and our society. We are passionate about launching students along a career path to achieve their life’s work. This report represents a career snapshot for our 2017–18 graduates. Talented students, a world-class education, and quality career programming combine to produce career success: 97 percent of students successfully landed at their first destination by September 30 (95 percent of graduates provided career data). Equally important is the positive experience students report about interactions with our office, with 98 percent rating appointments as “very good” or “excellent.”

Peabody Career Services is the strategic career partner for students and helps them identify their career path, build their pitch, and connect with employers. Since each student has a unique career path, our office provides personalized services, which helps ensure every student will excel. These services include individual appointments for every student in their first two months on campus, multiple opportunities to connect with employers/alumni to receive personally tailored advice, and strategic career collaboration with program directors to customize programming for when it is most effective. This customized programming is developed for each professional program and includes interview relays, networking events, and strategy sessions to prepare every student for career success.

We are very fortunate to work with an exceptional group of alumni and employers who provide specific coaching, daily inspiration, and employment opportunities. Peabody program directors, administrative leadership, and faculty offer wisdom, access, and insights. We cannot thank them enough for their ongoing support.
