HDC Program Outcomes Report 2015-2016
Clinical Mental Health Counseling and School Counseling

In 2015, 15 students earned master’s degrees in the Clinical Mental Health Counseling Program and 21 students earned master’s degrees in the School Counseling Program.

Completion Rate
Of the 17 students admitted to the CMHC Program, 88% completed the degree in Human Development Counseling in 2015 and 12% completed the degree in Human Development Studies. Of the 21 students admitted to the School Program, 100% completed the degree in Human Development Counseling in 2015.

National Counselor Exam and Praxis
Because the HDC program is accredited by CACREP, students are eligible to take the National Counselor Exam the semester before graduation. The NCE is not a program requirement, but the majority of students in both tracks sit for this exam before graduation. Of the 15 CMHC students and 19 SC students who took the NCE exam in 2015, 100% passed the exam. School Counseling students are required to take the Praxis exam as part of the requirements for licensure as a School Counselor. Pass rate for this exam was 100%.

Job Placement Rate
Of students pursuing full time employment after graduation, 100% of School Counseling Program 2014 graduates obtained jobs in counseling within 6 months of graduation. Of students pursuing full time employment in Clinical Mental Health Counseling 100% (6/6) 2014 graduates obtained jobs in counseling within 6 months of graduation and 100% (2/2) 2014 graduates were accepted into advanced graduate programs following graduation from HDC. Data for 2015 graduates is currently being collected.

Program Enrollment
There are approximately 66 students enrolled in the Clinical Mental Health Counseling program and approximately 28 students enrolled in the School Counseling program.

Average Class Size
Class sizes range from 4 to 7 students in Practicum and Internship seminars. Core classes including both program tracks may average 30-35 students per class with the average size of program area classes consistent with track size, approximately 14-23 students per class.
