SECONDARY EDUCATION (GRADES 7-12) LICENSURE AUDIT (exception: English 7-12)
This form, with the blue Form A Liberal Arts Audit and the green Form C Subject Audit, should be reviewed by the student's faculty adviser in a meeting with the student. Approval is needed from the faculty adviser prior to final processing by the Director of Teacher Licensure. [Audit forms involving exceptions require additional approval from the Department Chair.] Signed forms should be returned to the Office of Teacher Licensure (Peabody Administration Building, room 210). After final processing, a set of approved audit forms will be sent to the adviser and to the student. These audit forms document how licensure standards will be met upon successful completion when the faculty recommend licensure for state licensing.
